Ernie McCabe
P.S.: My brother-in-law, Don Bristow, had heart surgery in January. He heaved a big sigh and said he wished he could just add his thanks to mine because he hates to write thank you notes. So to each and every one of you for your TLC, please accept sincere thanks from Don.

A big thanks from the bottom of my heart to those who have supported me by calling, sending a card or just visiting with me. Your thoughtfulness and kindness is really wonderful. Sadly, it often takes a situation like this to know who your friends are and I really do appreciate those of you who are there for me. You know who you are and I want to send you all hugs, and say there is nothing in this world that can compare to having good friends and family, to quote one such friend. She is very right!
