Matteson, Knowles win team roping

Ryan Matteson and Blake Knowles, both Heppner, won the team roping championship at the Molalla rodeo June 3-4 with a 10.21 run. Matteson also placed fourth in the calf roping with a 15.44, while Knowles took fourth in steer wrestling with a 8.35.

Also placing in the steer wrestling was Chris Irzyk of Moro with a 7.27 time.

Never missing an opportunity at thrilling the crowd, Condon's Travis Carmine held out until the final rodeo of the regular high school rodeo season at Molalla to qualify for the Oregon State High School Rodeo finals.

By turning in a 4.32 on his first steer thrown in competition, Carmine not only gathered the needed points to qualify him for a trip to the state finals, but won the steer wrestling and a championship belt buckle.

"The high school rodeo community had anxiously awaited his success and rewarded him with thunderous applause and congratulations," said Lynn Wilkins. "Many believe this is the beginning of a promising career in the rodeo arena."

Pole bending action saw Condon's Marne Wilkins taking second with a 20.690 run, while

Ione's Tracey Griffith was sixth with a 21.291. Sybil Krebs, also of Ione, took third in breakaway roping with a 4.60, while Heppner's Lacey Matteson was eighth with a 7.98. Matteson also placed 10th in the barrel racing on a young horse with a 18.596.

Others who are familiar to the area include Blake West, Union, who won the saddle bronc with a 70 score, Brandt Giovanini, Prineville, who finished 10th in the three calf ropings with a 21.45 and turned in a 11.81 for third in the team roping.

Roseburg's Jessica Tatone was third in barrel racing with a 17.829, while Nataly Tatone took the pole bending title with a 20.551. Nataly was also 10th in breakaway with a 24.49. Girls cutting action saw Nataly Tatone in fourth with a 71 score and Liz Bowerman, Prineville eighth with a 66.

The top 20 in each event will qualify to compete at the Oregon State High School Rodeo Finals in Redmond on June 15-17.
