

Chamber Chatter

By Claudia Hughes, Chamber Manager

Heppner has arrived. OPB is coming to town. Local historians will be interviewed for the "Exploregon series" this coming Friday through Sunday. A 10-segment series is being filmed in rural communities in eastern Oregon, with Heppner being one of the 10 selected.

One never knows when you may be tapped on the shoulder to share Heppner's history during "Celebrate Heppner". A number of people with a sense of our area history will be contacted to meet with OPB over the course of the weekend. Give the Chamber a call with suggestions for story ideas.

Bring your wallets and your chairs to town on Friday, July 28, for the Sidewalk Sale and Celebrate Heppner. You can dunk your favorite volunteer, visit with friends and find some great bargains.

A purchase with participating merchants entitles customers to tickets to enter the drawing for items displayed in Gardner's window.

Finally, pull up a chair for music on the shamrock. It's a community happening.

Members of the Heppner Chamber recently experienced the Port of Morrow driving tour, an excellent lunch catered by Joann Tingle, Pudding On The Ritz, a tour of the Port of Morrow offices and a guided trip around Boardman.

Most of the members were surprised to see just how big the town is, population 3000. They too have a nice city park in addition to the marina, a delightful place to spend a hot day. It's good for all of us to really know our county and the environment influencing decisions which effect all of our lives.

Thought for the week: "Some of us are not aging, we just need retooling."

NOTICE OF PUBLIC HEARING AND SPECIAL MEETING OF THE BOARD OF COMMISSIONERS OF THE PORT OF MORROW, OREGON

(Threemile Farms, LLC Project)
PUBLIC NOTICE IS HEREBY GIVEN that on August 9, 2000, the Board of Commissioners (the "Board") of the Port of Morrow, Oregon (the "Port") will hold a special meeting commencing at 1:30 p.m. The public hearing and special meeting will be held in the Port of Morrow Commission Boardroom, located at Two Marine Drive, Boardman, Oregon 97818.

The purpose of the hearing and special meeting is to hear public comment on a proposed plan of financing whereby Threemile Farms, LLC, an Oregon limited liability company (the "Company") has requested the Port to issue industrial development revenue bonds (the "Bonds") in one or more series. The Board will consider an ordinance or resolution authorizing the proposed issuance of Bonds.

The proceeds of the Bonds will be used to finance or refinance, in whole or in part, the cost of acquiring, constructing and installing certain solid waste disposal facilities which are an integral part of the Company's three proposed dairies located on approximately 360 acres on the north and south sides of Taggares Lane, between Threemile Road on the west side, and Tower Road on the east side, in Boardman, Oregon 97818, and to pay certain related costs of issuance (the "Project"). The initial owner of the Project is the Company. The Bonds will not be general obligations of the Port, nor shall the Bond be payable from a tax levied upon any property within the Port, but will be payable solely from payments made by the Company or a direct pay letter of credit or a credit facility to be obtained by the Company and pledged to the payment of the Bonds.

The maximum aggregate face amount of the series of Bonds proposed to be issued pursuant to such plan of financing will not exceed Twenty Million Dollars (\$20,000,000).

The public hearing will provide a reasonable opportunity for interested persons to express their views, both orally and in writing, on the proposed issuance of the Bonds and the location and nature of the facilities where the building and equipment to be financed will be located. Interested persons are invited to attend and testify at this hearing or submit written comments to the Port. Written comments should be delivered at the public hearing or mailed to the Port of Morrow, P.O. Box 200, Two Marine Drive, Boardman, Oregon 97818 in care of the General Manager, to be received no later than the date and time of the hearing.

The Willow Creek Park District Board of Directors would like to thank the Heppner Little League, all of the community volunteers and all of the local merchants for their hard work in making the Little League District All-Star Tournament such a success. We realize the amount of work this project entailed and appreciate that the Park District was a collateral beneficiary of the influx of participating Little League families. Attendance at both the RV park and at the district pool was increased at a time when the revenue is greatly needed.

We would also like to thank the park district staff which operates these facilities for the many long hours of extra work needed in order to meet this increase in activity. As usual, you were up to the challenge.

It is always a pleasure to see the positive results which can be obtained when all facets of a community work together. Congratulations to all.
