

## Fair herdsmanhip contest reinstated

A Herdsmanhip Contest will again be held at the Morrow County Fair this year, after a one year hiatus.

"Last year we tried something a little different and it did not have the desired effect," said Morrow County OSU Extension agent

Bill Broderick. "Also, many people wanted the contest back."

The contest will be conducted much the same as in the past. It will be a club contest rather than an individual contest. Contest guidelines can be found in the

fair book.

The Livestock Judging Contest is back by popular request too.

"The last couple of years we have had judging clinics at the fair and not a contest," said Broderick. "This year we will again have a Livestock Judging Contest." There will be two classes of beef, sheep and swine and an oral reasons class.
