Vern Cook makes Heppner stop

Vern Cook

Vern Cook, Democrat candidate for state senator District 28, made a campaign stop in Heppner last Thursday.

Cook, 74, from the Troutdale area, is originally from Kansas, where his family had a wheat farm. The family moved to Colorado where they had a cattle ranch, but were driven out because of drought and the dust bowl during the Great Depression era. He said that the dust was so bad, he remembers his mother placing wet blankets over the doors to keep the dust out and tumbleweeds piled up against the buildings as high as the structures themselves. He also recalls his father packing a burner to burn the thorns off thistles. The cattle were so hungry they followed behind him, eating the thistles. In 1937 they moved to Oregon, where his father worked as a sharecropper, raising blackberries.

Cook graduated from Gresham Union High School in 1943, received a bachelor of arts degree from Reed College in 1948 and a law degree from the University of Oregon Law School in 1952. At law school he met Robert

Abrams, who practiced law in Heppner and later became a judge.

Cook has been self-employed as an attorney since 1952, also completing stints as a judge from 1952-53 and city attorney for Troutdale for two years in the 60s.

He was state representative from 1957-1961, a state senator from 1961-81 and a board member of Mt. Hood Community College from 1997-99. He served as president of the Gresham Historical Society from 1995-1996. He is a member of the Episcopal Church.

Cook and his wife of 44 years, Beryl, have lived in their home on the banks of the Sandy River since 1962. They have four children, Patricia Calcagno, a fresh market producer, Aurora; Bob, a supervisor for Fred Meyer in Portland; Randall, a house painter living in California; David, a wood crafter, Olympia, WA; and Marc, who makes therapeutic rocks in Guatemala; and 11 grandchildren. The Cooks have also had several exchange students from Central and South America, one of which was his future daughter-in-law.

Cook said that education is the primary focus of his campaign. "I think people in a district should be able to get property taxes to obtain necessary funding for a proper school system," he said. Cook said he supports stable financing of community colleges and kindergarten-12, regulation of the prices of prescription drugs, campaign finance reform, defense of the initiative and referendum system, taxation reform to provide support for schools and public services and additional money to maintain and improve roads and park systems as his goals.

Cook is opposed by Ted Ferrioli.

Ione High reunion planned

All graduates, former teachers, and friends of Ione High School are invited to attend and spend the time reminiscing.

The main events of the reunion will include a golf tournament, dinner and entertainment on Saturday evening with a no-host brunch the following morning.

Those interested in playing golf will need to contact Keith Nelson at (503) 491-1502 for the location, time and fees.

The sponsoring classes would like to encourage any graduates and other interested persons to attend. They are planning an evening of renewing friendships,

honoring the classes of 1950 - 1980 with a special emphasis on the class of 1950 who will be celebrating the 50th anniversary of their graduation from high school and the memories of attending Ione High School.

Door prizes will be awarded and an auction will be held to benefit some of the scholarship funds that have been established for future graduates of Ione High School. Anyone who would like to donate items for this auction may bring it to the reunion or contact Bonni Ball in Ione at 422-7583.

Any graduates or others who did not receive an information packet and are interested in attending should contact Bonni Ball. The information packet contains some information concerning lodging and the planned events.

The registration fee for the dinner and entertainment is due by Tuesday, August 15, and is to be sent to Bonni at P.O. Box 172 in Ione.

What is 4-H?

What is 4-H? Friends, fun and learning about nature, cooking, growing plants, photography, animal care or working together to help others.

Who can belong to 4-H? - Anyone in kindergarten through 12th grade. You'll find 4-H throughout your county, state, country and the world. Kindergartners through third graders join 4-H adventure clubs. In Morrow County, over 450 members in grades four through 12 belong to 4-H.

Look what you can do in 4-H? - Members are enrolled in animal science, natural science, home economics, and expressive arts project areas.

What do you do in 4-H? - It depends on you. 4-H Clubs may consist of friends in the same grade or school or include people from other communities. Clubs decide how often to meet and elect officers to conduct club business. Your club may decide to be active in the community, raise money for charity, become involved in recycling projects or build nature trails. You can go on field trips or to 4-H camp. The choices grow as you get older.

Does 4-H cost a lot? - There are no state or national dues or a required uniform. You pay \$3.50 per year for project materials and insurance in most clubs. A horse project is \$4.50. Your 4-H club may decide to collect dues to fund special activities.

How do you join 4-H? - It's easy. Choose the project you like. Ask some friends or brothers and sisters to join you. Ask parents, grandparents, adult friends or neighborhood adults to be your leader. Several adults can share this responsibility. You need only two members, but you can have as many as you like. Determine the projects your club would like to enroll in and visit the Extension office or call an agent for help. There are also numerous active clubs that welcome new members.

4-H is Learning Today, Leading Tomorrow and "learning by doing" - Learning how to set goals and work toward those goals; responsibility--for an animal, finishing projects, choosing how much to learn and deciding how involved in 4-H to be; leadership, decision-making, cooperation and how to present yourself and ideas to others.

For information about the 4-H Youth Development program, contact the OSU Extension office in Heppner, 676-9642 or 1-800-342-3664.

CARD OF THANKS

Recently, my youngest brother died unexpectedly. The support offered my family by our community has been so strong that words cannot begin to express our gratitude. So, we simply say "Thank you" for your kind words about Randy, your cards, offers of assistance and sharing of your personal stories that offer hope. We do not grieve in isolation because we live in such a caring community.

On behalf of the Hood River All-Star team, thank you for hosting the recent District 5 All-Star Tournament. Our team had a great time, whether it was jet skiing, swimming or kayaking on the reservoir, walking around your beautiful town or enjoying some terrific baseball, your hospitality was above and beyond. Thank you for making us feel welcome during our stay. And a special thank you to Roy and Glenda at the campground, who were so good to our boys and just wonderful to be around.

We would like to thank our friends and neighbors for their support and for shopping at "Treasures and Trinkets." We appreciate your honesty and loyalty and we apologize for not always being there to help you (always too many chores).

It's wonderful to live in a community where we can actually have an "honor shop." Out-of-town visitors can't believe such a thing exists in today's world. This should make us all proud to live here.

We hope you'll join us on Saturday, Aug. 19 and dance the night away under the stars at the RV parking lot.

Thank you again for "honor shopping" at "Treasures and Trinkets."

"We treasure you,"

Dear Sandi and John:

Thanks to you and the tournament staff for a great tournament. The bathrooms were clean, food reasonable, umps professional and all the details perfect (shirts, programs, announcers, etc.)

It was great to be welcomed into every store by the colorful flippers. I really enjoyed the museum, the bookstore, Country Rose and the restaurants.

You should be proud of the way Heppner treats visitors.

Thanks again for a terrific two weeks.

I would like to thank the citizens of Heppner for their hospitality. My son had an opportunity to participate in the Little League tournament recently. He and his teammates thought Heppner was a great place. My wife and I also agree that your town shows a lot of class. The improvements that have been made to the downtown and your municipal swimming pool bespeak a fundamental civic pride. Everyone we met in town was cordial, friendly and helpful. Although many of the smaller Eastern Oregon towns are experiencing difficulties, it is obvious that your city has battled those problems and is succeeding. Congratulations and thanks to all who made the tournament a success.

I would like to thank all of my friends, neighbors, family and co-workers for all the prayers, cards, flowers, presents, phone calls, visits and help during my surgery and recovery. It's great to be back to work and feeling better.

Especially a big "Thank You" to my wonderful husband Rosco for his loving care, support, patience and for doing all the household chores while I was recuperating. I love you.
