NOTICE OF PUBLIC HEARING AND SPECIAL MEETING OF THE BOARD OF COMMISSIONERS OF THE PORT OF MORROW, OREGON

(Threemile Farms, LLC Project) PUBLIC NOTICE IS HEREBY GIVEN that on November 1, 2000, the Board of Commissioners (the "Board") of the Port of Morrow, Oregon (the "Port") will hold a public hearing and special meeting commencing at 12:00 p.m. The public hearing and special meeting will be held in the Port of Morrow Commission Boardroom, located at Two Marine Drive, Boardman, Oregon 97818.

One of the purposes of the hearing and special meeting is to hear public comment on a proposed plan of financing whereby Threemile Farms, LLC, a Delaware limited liability company doing business in Oregon as Threemile Canyon Farms, LLC (the "Company") has requested the Port to issue solid waste disposal revenue bonds (the "Bonds") in one or more series. The Board will consider an ordinance or resolution authorizing the proposed issuance of bonds.

The proceeds of the Bonds will be used to finance or refinance, in whole or in part, the cost of acquiring, constructing and installing certain solid waste disposal facilities which are an integral part of the Company's three proposed dairies located on approximately 360 acres on the north and south sides of Taggares Lane, between Threemile Road on the west side, and Tower Road on the east side, in Boardman, Oregon 97818, and to pay certain related costs of issuance (the "Project"). The initial owner of the Project is the Company. The Bonds will not be general obligations of the Port, nor shall the Bonds be payable from a tax levied upon any property within the Port, but will be payable solely from payments made by the Company or a direct pay letter of credit or a credit facility to be obtained by the Company and pledged to the payment of the Bonds.

The maximum aggregate face amount of the series of Bonds proposed to be issued pursuant to such plan of financing will not exceed Twenty Million Dollars (\$20,000,000).

The public hearing will provide a reasonable opportunity for interested persons to express their views, both orally and in writing, on the proposed issuance of the Bonds and the location and nature of the facilities where the buildings and equipment to be financed will be located. Interested persons are invited to attend and testify at this hearing or submit written comments to the Port. Written comments should be delivered at the public hearing or mailed to the Port of Morrow, P.O. Box 200, One Marine Drive, Boardman, Oregon 97818 in care of the General Manager, to be received no later than the date and time of the hearing.

A big Thank You to the Ione Volunteer Fire Dept. for their immediate response to our "smoke but no flames" 911 call. The response was immediate and very thorough. Our trouble was a little evasive at first, but our well-trained volunteers soon narrowed the problem down. The repairman from Heppner Heating responded to our call immediately and replaced the part. Everything was handled very professionally.

We would just like to express a big "Thank You" to all of you who helped Jodie when she had her accident in practice.

The ambulance crew did a great job getting Jodie to the hospital; the hospital staff did a super job; Sheridan for all your time and concern and especially the extra caution on her x-rays; Mrs. Gentry, for being there for Jodie every minute, from the ride to the hospital to her dismissal (you never left her side), we so much appreciate that since we could not be there right away; Claire Anderson who phoned us; Codi and Shelley for getting Kyle; to the volleyball team, friends and parents who all waited so patiently in the waiting room and refusing to leave until you saw she was okay, that was pretty awesome and heartwarming for parents to see.

Heppner is such a great place to be - thanks to you all.

A hearty "Thank You" to the Neighborhood Enhancement Crew who worked on the sidewalk and driveway at the residences of the Biddles, Donohoes and Rawlins. It not only looks very nice but it is safe now for the walkers in our neighborhood. The many hours of hard labor from many individuals is very much appreciated.

It would be hard to name all the men who gave of their time, but Mayor Bob Jepsen, City Manager Jerry Breazeale, and Tom Sly, who organizes the work crew, were very faithful. It's good to be part of a town whose people and city officials take such pride in making the town attractive.

So, thank you each and everyone who helped on this large project.
