Pins and Pots and Patterns and Pans 4-H Club

By Emily Bergstrom, reporter
At their last 4-H meeting on Dec. 1, Pins and Pots and Patterns and Pans club members started and finished their community service project, which was flags for the swimming pool.

The group handed out awards that members got from achievement night. Mary Jean Meyer got a pin as a first-year leader. The first and third year people got their pins. Members all got awards for participating in 4-H last year. They also found out that their last year's group won the silver group award.

The club gave Mary Jean a going-away present. Members will all really miss her this year.
