Customer service Boardman Chamber topic

The Boardman Chamber of Commerce will hold its monthly luncheon meeting on Wednesday, May 16, at the Riverfront Center, Port of Morrow, Two Marine Drive, at 12 p.m.

Stacey Moe of the Better Business Bureau of Oregon and Western Washington will give a free presentation on "Customer Service." Local businesses are

invited to bring their employees to learn skills in taking care of the customer and the importance of working together to generate more business.

Poppy's Pizza will cater the lunch. The cost of lunch is \$6.50, to be paid at the door. Call the chamber by Monday, May 14, to RSVP at 481-3014. There is no charge to attend the meeting and public is invited to attend.

Boardman chamber holds rose sale

The Boardman Chamber of Commerce recently held its 2001 Rose Sale.

Co-chairs Arlene Walters and Kate Close of Banner Bank organized the sale for the third year in a row. Local area businesses sold the roses that were picked up at Banner Bank on April 12.

Portland General Electric Coal-fired Plant sold the most roses and won a \$25 gift certificate to a Boardman restaurant of their choice.

Proceeds from the sale of 66 dozen roses went to help support the Boardman Chamber of Commerce.

Boardman Chamber volunteers

The Boardman Chamber of Commerce welcomes new volunteers, Sue French, Eiline Fritzberg, Jo Olson and Irma Rodriguez.

These four women, along with established chamber volunteers, Mary Lou Daltoso, Juanita Hawkins, Judy Scott, Dorothy Tryon, Shirley Zielinski, Audrey Zook and Mike Zook, will be welcoming visitors and new residents to the area this summer.

Over the past couple years, since the office has been open, the chamber has seen an increase in phone calls, e-mails and drop-ins. The volunteers are needed to help keep up with that increase in requests about the community.

"People in Boardman are

fortunate to have these dedicated individuals to represent Boardman," said Jackie McCauley, Chamber director.

Those interested in joining the Boardman Chamber of Commerce as a member or a volunteer may call 481-3014.

Firewood permits available May 1

Personal-use firewood permits will be available May 1, for woodcutting on the Umatilla National Forest, according to Jeff Blackwood, forest supervisor.

Firewood cutting areas on the North Fork John Day, Heppner, Walla Walla and Pomeroy districts open May 1, though many areas at higher elevations or on northern exposures may not be accessible until later this spring.

The cost of firewood permits will remain at \$5 per cord with a minimum purchase of two cords for \$10. A maximum purchase of 10 cords total from National Forest lands is allowed during the calendar year.

"We're encouraging people to cut their firewood early to avoid possible late summer closures," said Blackwood. Over the last few years, parts of July, August and September were closed to woodcutting due to severe fire danger. "With drought conditions in the forecast we could be looking at similar firewood cutting closures for this year," he said.

Permits are available at all Umatilla National Forest offices. Permits will also be available at the Chevron station in Heppner, Mentzer and Elliott in Pilot Rock, Smitty's Ace Hardware in Hermiston, Dean's Market and Deli in Pendleton, Rhode's Supply and Granny's Store in Ukiah, and the Dale Store in Dale (some vendors may not be set up to sell permits until mid-May).

For Safety's Sake...

PG&E Gas Transmission Northwest takes every precaution to ensure the safe operation of its interstate pipeline system, which, for the last 40 years, has safely and reliably delivered natural gas supplies to the region. You, our neighbors, play an important role in helping us maintain safety on our systems.

Our pipeline rights-of-way are clearly marked. If, at any time, you plan excavation near the right-of-way -- or near any underground utility -- please call your local One Call/Call Before You Dig center, so that trained experts can show you where the underground lines are before you start work. The numbers are listed in your Yellow Pages.

Also, if you see signs of potential problems on our pipeline system, please call us directly at 1-800-447-8066. Signs of trouble might include construction or suspicious activity in the right-of-way; a sulfurous odor; hissing or whooshing sounds; unusual blowing of dust; dying plants amid healthy ones; persistent bubbles in wet areas, or fire or explosions near the pipeline.

Don't hesitate to call us. We want to hear from you...for safety's sake.
