ALIGNMENT

Every car should at least have a thrust alignment. It relates all 4 wheels to a common center line to insure maximum tire life and a centered steering wheel.

Over 90% of all cars built today should have a 4 wheel alignment. Most front wheel drives and some rear wheel drives have rear wheel adjustments. We invite you to ask us about it.

Local students earn degrees

Julie Watkins

Kathleen Greenup

Kathleen Greenup, 1999 HHS graduate, will receive an associate degree for the major of legal administrative assistant from Mt. Hood Community College during commencement exercises on Friday, June 15.

Greenup maintained a 3.83 grade point average and will graduate in the top of her class. She began an intern position with the Portland law firm of Stoel-Rives in December and was hired full-time in May of this year.

Greenup is the daughter of Greg and Janet Greenup of Heppner.

Julie Watkins of Heppner will also graduate from Mt. Hood Community College with an associate of applied science degree with a major in early childhood education. She had an 3.78 GPA.

Watkins plans on attending Portland State University in the fall and majoring in child and family studies.

Watkins is the daughter of Barb and Gary Watkins, Heppner.

Cemetery flowers to be removed

All flowers will be removed from the Heppner Masonic Cemetery on Monday, June 11. Anyone wishing to pick up flowers needs to remove them before that day.

Heppner Gazette-Times

St. Patrick's Senior Center BULLETIN BOARD

By Liz Straley

It was very quiet over the weekend with everyone resting up from the Memorial Day weekend.

Exercise class was on Tuesday morning. There were two card tables of players with the coffee pot on and cookies served. We had some pretty good hands and two "shoot the moon" hands.

There were 95 diners and takeouts on Wednesday for the meal site, served by Rita Hedman, Peggy Conner, Craig Strobel and Monica Hunter of the United Methodist Church. If anyone found a pearl earring with gold flowers, please call Bebe Munkers at 676-9677. It was lost at the meal site this past Wednesday.

Exercise class was held on Thursday morning. A light lunch of fresh fruit salad, macaroni and potato salads, chili with beans and broccoli in cheese sauce, cornbread, brownies and beverage was served. It was a regular "clean out the fridge" smorgasbord; remember those nights? The afternoon movie was the latest remake of "Zorro" and was enjoyed by all.

There were two card tables of players on Friday, with the usual coffee and cookies. The puzzle corner was busy and Bud Lundell came in for his snack. Bud says a brand-new Ford cost \$320 back in the early 1920s. He also says we serve the best cup of coffee.

The last of the city's air conditioners have been installed for the senior residents and will be gratefully appreciated when the hot weather gets here.

The menu for Wednesday, June 6, was baked fish fillets, baked potatoes, peas, carrots and raisin salad, rolls, blueberry crisp and beverages.

Club donates to assisted living

Ginger Keithley, on behalf of the Willow Valley Service Club, presents a \$250 check to Suzanne Jepsen, representing the Willow Creek Valley Assisted Living Center, Willow Valley Terrace. The service club raffled a doll to raise the funds for the donation. Winner of the doll was Kathy Davidson of Hermiston.
