

## Fund raiser benefits

### Lindsay. Lewis

Barney Lindsay and his wife, Kimberly, enjoy an Italian dinner amid a packed Elks Club July 19. The benefit dinner raised funds for legal costs for Lindsay and Keith Lewis, Morrow County School board members whose positions were vacated by the board because of zoning issues. Lindsay is challenging the board's action in court.

### Local girl named award winner

The United States Achievement Academy has named Lindsey Ward of Heppner as a United States national award winner in leadership and service.

Ward, who graduated from Heppner High School this year, was nominated for this national award by Linda Dutcher, a teacher at the school.

Ward will appear in the academy's official yearbook, which is published nationally.

The academy selects winners upon the recommendation of teachers, coaches, counselors and other qualified sponsors and upon the standards of selection set forth by the academy.

Ward is the daughter of Jim and Susan Ward of Heppner. Her grandparents are Ray and Norma French of Heppner, Joy and Gay Salter of Athena and the late Bill Ward of Letha, Idaho.

### St. Patrick's Senior Center BULLETIN BOARD

By Velma Wight

It was a very quiet Monday morning with the afternoon the same. Tuesday morning was exercise class, but we didn't have any. Exercise class leader Barbara Struthers was sick with pneumonia. God bless her. We wish her well.

I can't take her place in class as the doctor said it would be two more weeks until I can kick up my heels from the Fourth of July accident. Tuesday afternoon, there was one table of card players with Donnie Reed, Bonnie Gates, Marian Murchison and Floss Watkins.

Well, it was a bad day for sickness. Daisy Collins had a doctor's appointment.

Sylvia McDaniel and I worked the puzzle while other ladies played cards. Daisy Collins and Dorris Graves exchanged hands with two other ladies.

Here it is, Thursday, and another senior meal in the dining room. The menu included chef's salad with ham, turkey, cheese and eggs, garbanzo beans, tomatoes, fruit salad, muffins, dixie cup ice cream, milk, coffee and tea.

Don't feel bad-I don't know what garbanzo beans are either. But they are good protein.

Bud Lundell says, "The DeLorean is a great car of the past-in the 1970s (a sad ending)." I don't remember the car, but then a lot of car names I don't remember. I saved pictures of all the old cars back to 1917.

We had a good turnout for the Wednesday senior dinner and it was very good. A big salad, fruit salad and chocolate ice cream sure hit the spot. Also, the fruit punch was delicious. Joanna is a very good cook. Missed Corol not being in the kitchen.

There were several good helpers in the kitchen on Wednesday. I didn't get their names, but will next time. Lois White also helps in the kitchen.

There was no exercise class on Thursday as Barbara Struthers is still sick. I couldn't lead the class either as my neck and head are giving me a bad time.

Thursday at 11:30 a.m., we had a big dinner in the dining room of egg sandwiches, tomato soup, fruit salad, juice, milk and coffee.

Friday, July 20-boy am I glad to see this rain. It took some of my pains away. I went for a nice walk.

It was another quiet morning around here. Two tables of cards were played in the afternoon. Sylvia and I worked on the puzzle.

I made a mistake last week in the news. I meant Dorris Graves played cards last week. Instead I said Doris Brosnan. Please forgive me. Also in last week's news, I made another mistake-Dorris Graves volunteered in the office, not Doris Brosnan.

They say if you don't make mistakes, you're not paying attention. I sure must not pay attention.

Verna Brinda is volunteering Friday afternoons in the office.

Adam and Riley Wight came to visit us seniors, and their great-grandmother, Velma Wight.

Saturday morning, July 21, it was a beautiful day and I went for a walk. I met a few friends on my way. Saturday afternoon, everyone got ready for Jane Rawlins' memorial service.

Sunday morning, it was another beautiful day. I would like some rain at night, but I will take whatever the good Lord gives.

Monday morning-it is hard to breathe this morning, but I will just keep praying for rain, just in the town of Heppner, as probably the poor farmers don't need it just now.

So long for this week and I wish everyone a happy next week. God Bless.
