Christmas concert to feature local fiddlers, violinists

Local fiddle and classical violin students of two area teachers will hold a combined Christmas concert on Friday, Dec. 14, at 7 p.m. at the United Church of Christ in Ione.

Over 30 students, who range in age from five years old through adult, will play violin, guitar or cello in various groups and as solo performances with piano accompaniment.

Greg Smith receives award

State Representative Greg Smith (R-Heppner) has received the "Grand Champion Legislator" award from the Oregon Fairs Association. The award recognizes Smith's commitment to making Oregon's county fairs a lasting part of the state's culture.

"Each and every county fair provides an important avenue for residents, particularly our children and teens, to exhibit their talents and skills. They also serve as an important social event for rural counties," Smith said. "I am honored to receive this award from the Oregon Fairs Association."

Smith was a strong voice for the county fairs during the 2001 Oregon Legislature, according to a news release. As a member of the House

Ways and Means Subcommittee on Transportation and Economic Development, Smith helped shepherd House Bill 3530 through the legislature. The bill will provide one percent of net lottery proceeds up to \$1.55 million per year for fairs. That amount will also be indexed to the Consumer Price Index, which will allow the amount to go up each year. The money will be allocated through the County Fair Commission.

"This was a big win for rural counties and our fairs," Smith said. "It is the most important legislation for county fairs in 10 years."

The "Grand Champion Legislator" award is given to only eight of the Oregon Legislature's 90 members each year.
