Shuttle bus offered during St. Pat's festivities

Two shuttle buses, starting at 9 a.m. and concluding at 5 p.m., offer transportation around town during the St. Patrick's Celebration Saturday, March 16. The schedule begins and ends with stops at the Willow Creek Lake RV Park, and includes stops at the Thompson Ranch for the sheep dog trials, the fairgrounds and Miller's Manufacturing at the South Morrow Industrial Park, in addition to numerous sites around town.

The schedule appears in its entirety on this page of the St. Patrick's special section of the Gazette-Times and on the Internet at www.heppner.net.

Symphony and singers to perform on St. Patrick's Day

The Willow Creek Symphony and Willow Creek Singers will perform their spring concert at the Heppner Elementary Gym on Sunday, March 17, at 3 p.m. The symphony will present a variety of music, including selections from "The Sting" and an arrangement of "Jurassic Park" by Anthony Marks of LaGrande. Other selections include "Pavanne" by American composer Morton Gould, "Telemann Sinfonia," and "Georgian Tunes," a suite of popular English tunes from the middle 18th century. The singers will perform "Song of the Sea" by Raymond Hannisian and two selections by John Rutter, "Soldier Boy" and "The Terrible Tale of Tom Gilligan."

The Willow Creek Symphony and Singers are directed by R. Lee Friese of Athena. Assistant conductor for the symphony is Anthony Marks of LaGrande. The symphony consists of 42 children, youth and adults from Morrow and Umatilla counties and Walla Walla, Washington. The singers include 15 youth and adults. Both groups are based in Heppner and are affiliated with Inland Northwest Musicians.

The concert is free to the public and is sponsored by the Morrow County Unified Recreation District. It is also supported by donations from the Morrow County Commission on Children and Families, the Herbert A. Templeton Foundation and Central Red Apple Market.

The Willow Creek Symphony will also present two Young People's Concerts for area school children on Thursday, March 14. These will be held at 9:30 a.m. and 10:45 a.m. at the Echo Community Center.
