CARD OF THANKS

Thank you to all of our friends and family in Morrow County for the prayers, food, cards and support while Paul is recuperating. It is so comforting to live in such a caring community and county. Paul has a long road of recovery ahead of him. A special thanks to everyone who has pitched in and helped out with the care of our livestock and land, and for transporting us to and from Portland. Without you, things would have been impossible the last couple of weeks. We are hoping that Paul will be moved into a rehabilitation center this week. Thanks again from the bottom of our hearts.

Thanks to all those who sent cards, flowers and other gifts while I was in the hospital. Your visits and phone calls were really appreciated too.

Also, thanks to my relatives who brought food to my home and helped me so much at home.

On a recent inspection by Union Pacific Railroad bridge inspectors, the railroad overpass on Boardman's Main Street was determined to have some structural problems. This bridge leads to the Port of Morrow's Riverfront Center, several businesses and the Boardman Marina and RV Park. The bridge was closed for a little over a month awaiting plans for repairs to be made. During this closure, vehicles were rerouted through the Port's Industrial Park.

The bridge recently reopened thanks to a cooperative effort from Oregon Department of Transportation, the City of Boardman and the Port of Morrow. A special thanks to Frontier Resources for help coordinating the purchase of materials and to J & D Electric for their contribution of supplies and equipment for this project.

A long-term closure of this bridge would have been not only inconvenient, but a financial hardship to many businesses. We are very appreciative to have ODOT come in with their advice and help to repair the bridge on such short notice. Without this support, it was very likely that the bridge would have remained closed for an extended period of time. We are very happy to have been involved in the cooperation between public agencies and private businesses to come to a quick resolution to the bridge repair.

Thank you to all the parties involved for your participation. Port of Morrow Commission and Staff
