

CARD OF THANKS

continued

How do begin to say thank you to so many... The "Friends Helping Friends" committee would like to extend a heartfelt thank you to all those wonderful people who have helped with our fund raising efforts. We have had so much success in our efforts due to the outpouring of love and support from our communities.

The football soup feed was incredible! Not only was the food fabulous but also the community support was tremendous. The barbecue dinner and pool calcutta was not only successful but also entertaining. The Mexican dinner was delicious! The continued support with the pick-up raffle has been greatly appreciated. The Dinner and Auction held in Hermiston was beyond our wildest dreams! The evening was phenomenal! Seeing friends and family come together to lend a hand to a friend, was an experience of a lifetime. It was an evening no one will soon forget.

Dave's journey home is ongoing. The addition to the Matheny home and a van are in progress all made possible by your unselfish help. Your services, prayers and donations have all been greatly appreciated.

"If one falls down, his friends can help him up" Ecclesiastes 4:10.

With gratitude,

I would like to take this opportunity to thank this wonderful community that I live in. You were there for me when my mom passed away three years ago and now with my dad's recent illness and death, you were there for all of us again. It is hard to understand that I will have to live without the love and support of both parents, but I know the community will be there. Your love and concern has helped the healing process begin. I truly appreciate all the calls, hugs, food, phone calls, donations, cards and prayers. I especially want to thank all of you who attended the funeral and shared hugs and tears with all of us. Words do not seem adequate to show our appreciation.

Our special heartfelt thanks to all of you.
