

Garden Club honored by Oregon State Garden Club

Left to right: front-Heppner Garden Club Scrapbook Committee members Verna Brinda and Frances Freel, back-District 10 Director Charlotte Rauch, Bebe Munkers, President Chuck Bailey and Marj Spangler with award-winning scrapbook.

The Heppner Garden Club has received a special honor. The scrapbook the local club assembled and submitted to the Oregon State Garden Club has won second place in the state. 125 clubs throughout the state entered scrapbooks.

The club also received honorable mention for their yearbook.

Heppner Garden Club President Chuck Bailey said that the scrapbook provides a story of the group's activities during the year, how they raise money and what the club does with the money it has raised. Activities include supplying the flower baskets on Main Street, planting various things in the city parks and providing a scholarship to a local high school graduate.

President Kelwayne Hagewood of Heppner

accepted the donation on behalf of the Fair Board. The WVSC members who made the presentation were: Treasurer Margo Sherer of Lone, Kelly Boyer of Lexington and President Carolyn Willey of Heppner. Kit and Shirley George of Lott's Electric were unable to attend the presentation.

them \$50,000 in scholarships. Only 1/2 of 1% of the nation's college students receive this award.

Bourrie is a sophomore at Digipen, a computer game programming college in the Seattle area.

Sewer rates are going up

The sewer rates for Heppner residents will increase by \$3.10 per "R" factor beginning July 1, 2002. The rate increase was necessary to provide for adequate maintenance, repairs and rehabilitation of the sewer system according to Public Works Director, Craig Canham. Last year repairs to the wastewater treatment facility depleted the sewer maintenance and reserve funds. The revenue to the system

needs to be adequate to address the needs of the system, reported Canham to the City Council at their budget meeting June 10. The Budget Committee on May 14 had recommended the increase to allow for proper maintenance and improvements to the sewer system. The rate increase will raise the sewer rate from \$18.00 per "R" factor to \$21.10. An "R" factor is the equivalent to the usage of one detached single-family residence.

Watch out for the trucks

Parents are encouraged to remind their children to be extra cautious around the several different construction areas in the community. One place in particular where there is a blind spot is near the grade school on

the corner of Quaid and Elder streets.

Dump trucks and other heavy machinery are active in Heppner this summer as the turnaround by the courthouse has been torn out and demolition of the elementary school has begun.
