CERTIFIED "GREEN" POWER
 Green Power is electricity that comes from environmentally "friendly" sources, such as the new Condon Wind Farm in Gilliam County.
 You can purchase 200 kwh (kilowatt hours) of Green Power for only \$5 per month. The cost is in addition to your regular electric charge and will be for one year.
 Remember: choosing to buy Green Power reduces the impact we have on the air we breathe, wildlife habitats, and helps sustain the earth for our children. We have the option to choose power that makes a difference not just today, but for generations to come. By supporting Green Power, you are helping offset the need to generate more non-renewable energy.
 Call Columbia Basin Electric today and say, "Sign me up for Green Power!"
