

Mr. Brownfield Is Retiring!

Steve Brownfield's First Year Teaching at HHS 1971-72

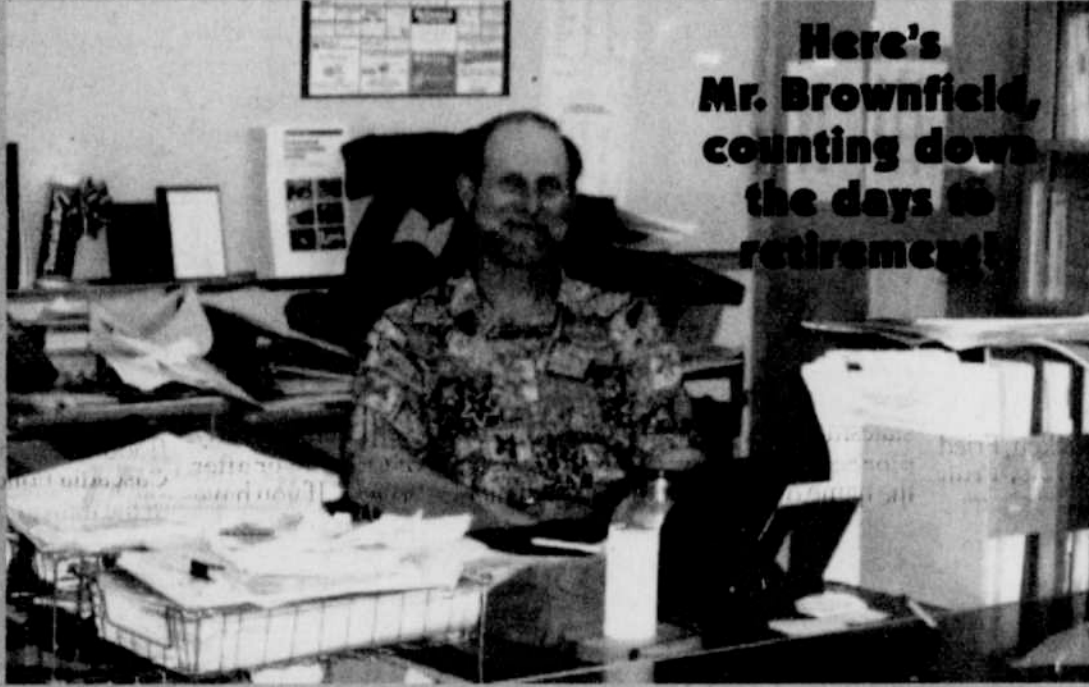

After 32 years of teaching biology (all in the same classroom!) Steve Brownfield is retiring from Heppner High School. Everyone is cordially invited to join Steve's family and co-workers at a barbecue and reception to be held in his honor on Friday, June 13 beginning at 11:30 a.m. at Heppner High School. Come enjoy lunch and share fond (and funny) memories of Steve's years of teaching biology/science, working with various school clubs and coaching track and football at HHS.

1977

1993

Thanks, Mr. Brownfield, for all your years of dedicated service to the students and this community!
