

What is 4-H?

It is, friends, fun and learning about nature, cooking, growing plants, photography, animal care, or working together to help others.

Who can belong to 4-H? - Anyone kindergarten through 12th grade. You'll find 4-H throughout your county, state, country, and the world. Kindergarteners through third graders must join 4-H

adventure clubs. In Morrow County, we have over 450 members in grades 4 through 12.

Look what you can do in 4-H? - Members are enrolled in animal science, natural science, home economics, and expressive arts project areas.

What do you do in 4-H? - It depends on you. 4-H members may be a friend in the same grade or school, or

include people from other communities. Clubs decide how often to meet and elect officers to conduct club business. Your club may decide to be active in the community, raise money for charity, become involved in recycling projects or build nature trails. You can go on field trips or to 4-H camp. The choices grow as you get older.

Does 4-H cost a lot? - There are no state or national dues or required uniform. You pay \$5 per year for project materials and insurance in most clubs. Your 4-H club may decide to collect dues to fund special activities.

How do you join 4-H? - It's easy. Choose the project you like. Ask some friends or brothers and sisters to join you. Ask parents, grandparents, adult friends or neighborhood adults to be your leader. Several adults can share this responsibility. You need only two members, but you can have as many as you like. Determine the projects your club would like to enroll in and visit the Extension office or call an agent for help. There

4-H member MaKayla Anderson enjoys her cow, Duncan, at the 2002 Morrow County Fair. This year MaKayla, 13, is a pennant bearer.

are also numerous active clubs that welcome new members.

4-H is Learning Today, Leading Tomorrow and "learning by doing." - Learning how to set goals and work toward those goals; responsibility—for an animal, finishing projects, choosing how much to learn and deciding how involved in 4-H to be; leadership, decision-making, cooperation and how to present yourself and ideas to others.

For information about the 4-H Youth Development program, contact the OSU

Extension office in Heppner, 676-9642 or 1-800-342-3664.

Pet Day has been changed

The Pet Show has been moved to Friday, Aug. 15, at 1 p.m.

Receive a treat for the ugliest and prettiest pet in Morrow County at the Ugliest and Prettiest Pet Show, directly after the regular Pet Show.
