Left Waiting performs at County Fair

Youth, you may have seen this band at the Seattle and Portland Youth rallies this year. This three-piece band consists of young adults.

They will be playing on Friday, Aug. 15, from 3:30-4:30 p.m. Come and enjoy the new wave of Christian Music.

Get involved in Morrow County Fair

We go to the Morrow County Fair to look at the flowers, watch the 4-H

members compete, and check out the livestock. But there is no doubt that fair is always more fun if we are part of the event.

Desalyn Swank to entertain

Desalyn Swank is a 14 year old from Spokane, Washington. She sings mostly Country Pop, but also she enjoys singing Rock n' Roll, Broadway hits and Hip Hop. Come see her at the Fair on Thursday, Aug. 14 at 1:30 p.m.

There is still time to participate. The fair opens to the public on Aug. 13, but exhibits are accepted on Monday, Aug. 11. Turn through your Morrow County Fair Premium Book right now and look at all the opportunities to be part of the fun.

You can enter vegetables, fruits and flowers from your gardens, wearable art, and needlework. Don't overlook the chance to exhibit home preserved foods, just be sure to use up-to-date recommendations for processing. Current USDA recommendations for canning are available at Oregon State University Extension Office at their new location at 54173 Hwy 74.

Be an exhibitor at the 2003 Morrow County Fair. It's easier than you think

"When we applied for a loan, Farm Credit considered our credit history, work experience and burning desire to succeed."

At Northwest Farm Credit Services we understand different ag producers have different needs. That's why we created AgVision — a distinctive financing program specifically designed to help young, beginning, small and minority producers turn their dreams into reality. Contact your local Farm Credit office for more information now.
