CARD OF THANKS

Words can't even begin to say how much we appreciate and thank those of you that have helped us during the recent loss of our home and most of our belongings. Many of the items that we lost can never be replaced, but the thoughtfulness and caring that has been shown to us by so many, has helped to keep our spirits up, and opened our eyes to how a community can pull together and help one another.

We thank the Neighborhood Center for getting us a place to sleep the night of the fire. The Red Cross, for providing us a few more nights lodging, to have time to ourselves to try and regroup. Also, for the help to get some of the much needed items that we take so much for granted. Duane and Kathy Jones for coming to us the night of the fire, for your spiritual support, and for your continued support.

To Lorene and all the Red Apple employees, for the basket of "goodies" that we realized we "need" everyday. Linda Crane, Alvin and the staff at the Northwestern Motel for letting us stay there until we got our feet back under us a little. Rick and Celia Drake for the cleaning of the clothes, and some of Lyn's "stuffed" friends that we salvaged from the house after the fire. Darrin, Belinda, and Garrett for your time and help in pulling items from the mess, boxing many of them up, and getting them into the garage for us.

To all those who help us look and find our cat when the fire scared him away. Rita Woolsey and B.J., for caring for our cat and providing such a loving "foster home". To Steve and Keith, for the help in digging through the remains of the house and belongings, the clean up of the few things that we hope to salvage, and for being there to listen to me "complain" about "that damn fire". To Harry and Fae Greene, for the countless hours that you provide us a shoulder to lean on and an ear to listen. To everyone that has provided us support, whether physical or mental, spiritual, or monetary, and helped us realize how much friendship can hold you up in a time of loss.

Thank you to those who have donated clothes, furniture

and other items to help replace some of what we lost. To our many customers, who continue to support and offer words of encouragement. A very special thanks to the Kindles for all the work that they have put in to help raise money for us in our time of need. To our employees, Rita, B.J., Jenny and Katie, for helping to "hold down the fort" while we try to get back to "normal".

Thank you, Heppner.

My grateful thanks to all my friends who have said prayers, and sent me cards, letters and phone calls during my recent surgery and treatments in CA. I appreciate all of you so much, and especially my daughter Susan, who's giving me lots of TLC until I can go home.

See you soon,
 and God Bless,
 Katherine Lindstrom

Thank You!
 The Adopt A Teacher Foundation would like to thank all of the volunteers for their time and energy during the Morrow County Fair week. The carnival on Wednesday was a big success with a lot of positive feedback from both parents and students. Also, a big thank you to all of the helpers who helped with the VIP seating at the rodeo Friday, Saturday and Sunday.

The Adopt A Teacher Foundation is successful because of dedicated and concerned citizens, volunteering their time and energy in order for our young people to succeed in their education. Thank you again.

Sincerely,
 Jeannie Collins, President

To putt or not to putt,
 That was the question;
 But without a head,
 There could be no intention.
 So someone had to mention,
 A new head
 would remove the tension.
 And so it came to be,
 That there is a new reality.
 Putt putt, putt putt, putt putt!
 Thanks, everyone.
