CARD OF THANKS
A big thank you to Pat and John Edmundson for your letter of support for our local leaders. I think our city council is the best ever. A special thanks to Tom Wolff for his extra work on the new water project. For several days I saw Bob Jepsen and Jerry Breazeale with rake and shovel in hand fine-grading the ground at Heritage Park; many thanks for a job well done.
For the new trees in honor of Arbor Day, I want to thank Bob Jepsen, Jerry Breazeale, Jack Melligan and Steve Brudevold - these trees will bring joy to all for many years to come. By the way, Public Works Director Bruce Nelson is a hands-on leader. This kind of leadership just happens to get the job done. I've seen a lot of changes for the good in the last few weeks. Thanks to Bruce and his crew.
There is just one other thing I want to mention: a very special big thank you to all local merchants from Cliff Green down the street and back up the other side, and on all side streets. You folks make our little town a much better place to live. What more can I say; God Bless you all and thanks again.
