To the Heppner Community:
Scott and I would like to thank those who participated in the Calcutta for our family. An extended thank you goes to those of you who took part in the planning and organization of it all. We would also like to thank those who donated goods to the bake sale and those who organized and worked it.

A huge thank you to the community for all the support. It means a lot to know that we live in a place where the whole town is really a small, caring community. Thank you, thank you, thank you.
