ALIGNMENTS

For Better Handling & Tire Mileage

Every car should at least have a thrust alignment. It relates all 4 wheels to a common center line to insure maximum tire life and a centered steering wheel.

Over 90% of all cars built today should have a 4 wheel alignment. Most front wheel drives and some rear wheel drives have rear wheel adjustments. We invite you to ask us about it.

Arts and Crafts club to meet

The Morrow County Arts and Crafts club will meet on Thursday, May 27 at 1 p.m. at GD's banquet room.

The agenda will be on a watercolor class, to be held on June 26 and 27, taught by Joyce Anderson from Walla Walla. The last day to signup will be May 27 and payment needs to be made to Trish Sweeney or Sharon Harrison. There will be a painting a day done, with the class emphasis on birds and flowers. The public is invited to take the class.

Anderson is a college art teacher and is very knowledgeable in watercolors.

Photos of paintings and a list of supplies will be available at the May 27 meeting.
