Funds announced for kids' immunizations and vaccines

U.S. Senators Ron Wyden (D-Ore.) and Gordon Smith (R-Ore.) recently announced that the Oregon Department of Health and Human Services will receive a \$6,128,515 grant from the Centers for Disease Control Procurement and Grants Office. The program slated to receive funding is Immunizations and Vaccines for Children (VFC), which supplies free vaccines for immunizing eligible children in public and private practices at no cost to participating health care providers. Vaccines for Children aims to help Oregon reach its goal of having 90 percent of our children up to date with their immunization series by age two.

"Oregon children deserve every chance to lead healthy, productive lives, and

DIY 4-H group meets

By Christine Raible

The main purpose of the DIY Kids 4-H group meeting on July 6 was to cut out patterns for pajama pants for each of the girls, and to count the money they made from selling lemonade and sugar cookies during the Ione 4th of July celebration. The group was trying to raise money for a trip to an alpaca farm to see a store where they sell knitting supplies and string made from alpaca fur. They ended up making just enough money for the trip. They made \$108.50 from the lemonade sales.

Afterward, they ate their sack lunches and discussed what competitions they should do in the fair. Since they are all juniors (fourth and fifth graders) they decided to do the easy competitions such as the "Beginner Button Sewing Competition." Then they all said their goodbyes and went home.
