

Ed Collins back to sing at Fair

Ed Collins

Back again this year at the Morrow County Fair is Ed Collins of Washington. He will play Thursday, August 18, during the lunch hour (12:30-1:30 p.m.). Eddie is a country music performer who grew up in a small ranching/oil community in Texas. He sings about his life growing up and his love of the music.

Mad Science plans fun shows

Mad Science of Portland will perform on Wednesday of Fair week. At 1 p.m. they will be doing Spin, Pop, Boom. Those attending can find out what a chemical reaction is. Then at 4 p.m. you can find out about the misunderstood state of matter, gas with Up, Up and Away. This will include volunteers from the audience. So come join in on the fun with two 45-minute shows that will be sure to entertain you.

Talent show Thursday

This year the Morrow County Talent Show will be co-sponsored by KORD and will be held at 4:30-6:30 p.m. on Thursday, August 18. Ed Dailey will again be the emcee. Please look on page 184 for categories and an entry form. The winners in each category (if amateurs) will be eligible to go to State Fair on Sunday, August 28. For further information contact CJ Johnson at 676-9209.

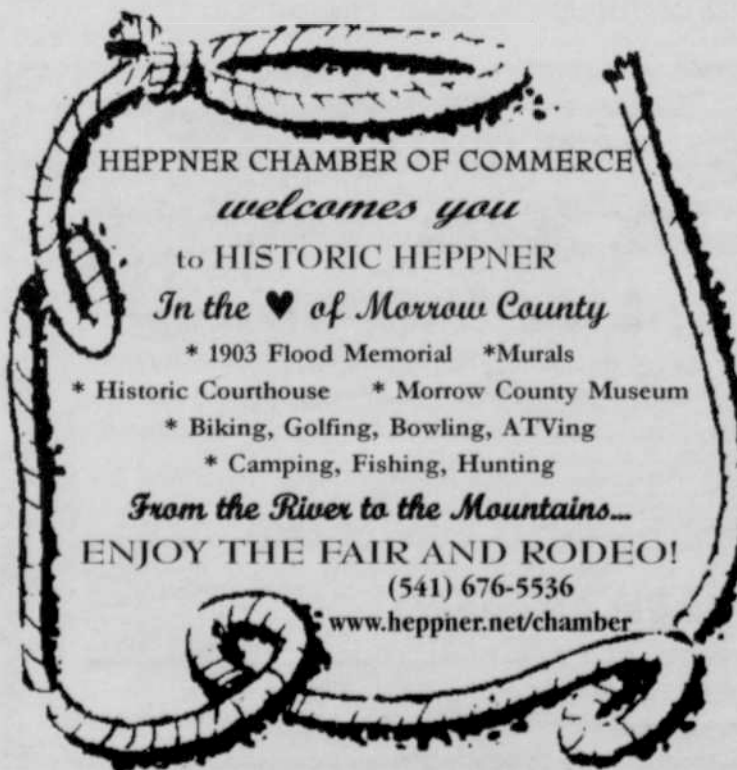

Tractor pull for kids Wednesday

Kids get those leg muscles ready for fair because the Tractor Pull is back. RDO Equipment is sponsoring it on Wednesday at 5 p.m. "We know it was missed last year, and we are thankful to RDO for bringing it back," said the Fair Committee.

Spin! Pop! Boom!

Mad Science of Portland and Vancouver will present Spin! Pop! Boom! at the Morrow County Fair on Wednesday, Aug. 17, at 1 p.m.

How do you know that a chemical reaction has occurred? After this event, you'll know! Beginning with a change of color in Mad Science's chemically challenging "magic" trick, they'll treat viewers to an assortment of chemical and physical changes. An amazing sound comes from Flaming Didgeridoos, a genie erupts from a flask with the help of a catalyst, two liquids combine to form a solid in an exothermic reaction and the astounding finale, a geyser of hot foam.
