## Shamrockettes donate microwave to Cutsforth Park

Shamrockettes Dance Team members, Carrie Haguewood, Kellee Jones, Jodessa Chapa, Mayci Garrett and Kolleen Chapa, donate microwave to Cutsforth Park. Not pictured: Ashley Wolff, Amber Gray and Albany West.

The Heppner Shamrockettes coached by Jodi Chapa held their 2005 Dance Camp at Cutsforth Park. The Morrow County Public Works Department maintains three county parks. Cutsforth Park is located 22 miles south east of Heppner on the Blue Mountain Scenic Byway.

The park has full and partial RV hook-ups as well as tent sites. Restrooms with showers, stocked fishing pond, horseshoe pits, day use area for picnics and family reunions and a playground for the kids.

There is a large dining hall/kitchen available for rent. The building has a large dining area, fireplace, and kitchen. It is perfect for large groups. The park also has horse pens available for rent. There are trails adjacent to the park on the Umatilla National Forest for trail rides. The park is also a winter staging area for snowmobilers.

The Shamrockettes noticed that the kitchen could use a microwave so they donated one. It has been very helpful to the guests this summer. We look forward to Dance Camp 2006 and appreciate their help in enhancing our park.

## HHS establishes FBLA chapter

Heppner High School business students are establishing a local chapter of the Future Business Leaders of America (FBLA). Heppner is one of the few local schools that hasn't had a FBLA chapter. Now that has changed, giving students in business or business-related classes the opportunity to broaden their horizons.

One of FBLA's leadership lines is to sponsor worthy fund raising events such as March of Dimes or other worthy causes. Heppner High School's new FBLA group has decided to raise money for Hurricane Katrina victims. If you would like to help them, contact Darlene Marquardt, advisor, or Veronica Wilhelm and/or Brienne Jones, Co-Presidents of the group at 676-9138. The group is also going to hold a few fundraising events to pay for state and national charter membership dues for it's members. If you would like to sponsor a member, the dues are \$15 per member.

The FBLA Mission is to bring business and education together in a positive working relationship through innovative leadership and career development programs.

FBLA-PBL is headquartered in Reston,

is located 26 miles southwest on Highway 207. It also has full hookups, partial hookups, and tent sites. A stocked pond, barbecue pit, playground, and area for picnics and reunions. This park land was donated by the Wright family in 1967.

Our Off Highway Vehicle (OHV) Park is located on Highway 207 about 32 miles from Heppner. Twenty-four designated camp sites are available for self-contained recreational vehicles in addition to tent sites. Each site is equipped with outdoor fire rings, picnic table, and garbage containers. Water and restrooms are throughout the OHV Park. We have a Day Area for all riders. There is 120 miles of trails available for quads, 3-wheelers, motorcycles, jeeps, and sand rails. It is a family oriented sport. Come and play at our parks.

Reservations at any Morrow County Park can be made by calling (541) 989-9500 or email us at mcparks@co.morrow.or.us and visit our website: morrowcountyparks.org. We are open and ready to greet you.
