Smith family joins Kick-Off

"The Union County 12-Hour Relay is a good old fashion community project and my family is honored to be a part of the kick-off," said State Representative Greg Smith (R-Heppner).

Smith, his wife and children (ages 2 to 14), will attend the 7th annual relay on Saturday, Sept. 24 at La Grande High School.

Sponsors describe this as a "community event that brings together people of all ages and abilities to participate in a unique and memorable experience."

The relay supports efforts to fight drug and alcohol abuse. This year, methamphetamine is the focus.

Organizers hope to have 50 teams of 10 people each who will circle the school track relay-style, running or walking, for 12 hours.

The relay starts at 10 a.m. with a "community lap," which includes everyone and ends at 10 p.m. with all those present for a "memory lap" in silence to reflect on the significance of the day.

It is not too late to get involved. You can call Pam Dodds at (541) 963-2523 or find out more at www.drugfree-relay.org or www.eoni.com/~ucrelay/.

Ione student raise over \$3,000 for hurricane victims

Ione school students recently raised over \$3,000 for victims of the Katrina hurricane.

The students collected coins and donated \$3081.25 to the Red Cross, the Ione School Board was told Monday night.

In other business the board: -swore in Joel Peterson as a new board member.

-Heard that current enrollment at Ione schools is 161 with 66 students at K-5, 41 students in grades 6-8 and 54 students in the high school.

-learned from superintendent Bryn Browning that there are four exchange students this year. Two students are from Germany, one from Mexico and one from Czech Republic.

-Heard that the business/publications class has received a grant from the Ione Education Foundation in the amount of \$1,000. The money will be used to purchase photography equipment.

Students are currently learning proper use

of the equipment, strategies for taking good pictures and are gearing up to take the fall sports pictures. Other activities will include filming of concerts and classroom group photos.

-Learned that the PSAT test is scheduled for Wednesday, Oct. 12 during the morning for juniors.

-Heard that all P.E. classes are currently using the pool for swimming instruction one hour a day.

We hope to have a night for family swim and so that students can show off their new skills before the pool closes at the end of September.

-The district is currently advertising for a part-time education assistant that will work on-on-one. It is a 16 hour per week job only in the mornings.

-Was given a report that the National Honor Society worked on the landscaping project around the reader board.

-Learned that the district is currently accepting bids for the ground's contract. It will include lawn mowing.

Restrictions eased on the Umatilla National Forest

"Effective Thursday, September 15 at 12:01 a.m., the Industrial Fire Precaution Level will drop to a Level II and public-use restrictions, including firewood cutting and campfires, will be lifted on the Umatilla National Forest," announced Bill Aney, Fire and Aviation Officer for the Umatilla National Forest.

"Though recent rain showers and cooler temperatures may have eased the need for public-use restrictions, we are still in fire season and the threat of a damaging and dangerous wildfire remains," said Aney.

Restrictions could go back into effect if the weather heats up and conditions dry out. "We're considering this a season-altering event, not a season-ending event," said Aney. Restrictions involving the use of chainsaws, generators, and travel have also been lifted on the Forest.

The only current public-use restrictions still in effect include: Smoking, except within an enclosed vehicle or building, a developed recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable material. Smoking is only prohibited except in existing area closures within the School Fire and Burnt Cabin Fire perimeter.

Hunters and other forest visitors are urged to be extremely careful with their campfires, cooking fires and wood stoves.

Firewood cutters should call the Umatilla National Forest's toll-free message number, (877) 958-9663, to see if current firewood cutting and public-use restrictions have changed.

The Oregon Department of Forestry (ODF), NE Oregon District, still has a Regulated Closure in effect.

The ODF closure pertains to State and privately owned forest lands in Northeast Oregon. Campfires are allowed only at designated sites. These sites are primarily Oregon State Parks campgrounds and county campgrounds.

Other restricted activities include open burning, smoking, off-road vehicle use and the use of non-industrial, personal use chainsaws.

Additional information can be obtained by calling the Pendleton Unit of the Oregon Department of Forestry.

For more information on restrictions or closures, please contact the Oregon Department of Forestry at (541) 276-3491 or any Umatilla National Forest Office.

McElligott begins fall session at St. Lawrence

St. Lawrence University welcomes Taylor McElligott, of Ione, as a member of the class of 2009.

Some 540 freshmen, including students from 14 foreign counties, have joined the St. Lawrence student body.

McElligott graduated from Ione High School in Ione.

St. Lawrence, the oldest continuously degree-granting coeducational college in New York State, is a residential, liberal arts and sciences institution that encourages all faculty and students to participate in teaching and learning.
