Brubeck Brothers Quartet to appear in Hermiston

Brubeck Brothers Quartet include members Dan Brubeck on drums, Chris Brubeck on trombone and base, Mike DeMicco, guitarist, and Chuck Lamb on keyboard.

The Hermiston Desert Arts Council will present the Brubeck Brothers Quartet in a concert of traditional and modern jazz at the Hermiston High School Performing Arts Theater, 600 S. 1st, Hermiston, on Sunday, Jan. 22, at 3 p.m.

The sons of jazz great Dave Brubeck, Dan on drums and Chris on trombone and bass, have played together since childhood, so add an inherited flair to their spirited and flexible sound. They are joined by guitarist Mike DeMicco and Chuck Lamb on keyboards.

Said one reviewer, Winston Brooks of the Chattanooga Outlook, "Elements of rock, classical, blues, funk, reggae and world music blended the quartet's approach to contemporary jazz... The rhythmic drive ranged from light brush-stroked drum work to turbulent syncopated beats. And because one rarely hears a jazz combo with a trombone and a Hammond organ, the sound was unique."

All of the quartet members have toured worldwide. Just last month they played in London with their father and in Munich, then performed live on NPR during its New Year's Eve program. Cost is adults \$17.50, and children \$7.50. Tickets are available at the Hermiston Chamber of Commerce, (541) 567-6151, and at the door.
