

Students participate in game day at Ione's Camp 5

Ione students pause from their puzzle to pose for a picture

Kim Thompson helps teach the finer points of Battleship

Lea Mathieu offers helpful tips to beginning chess players

By Rebeka DesBouillons and Lynzee Sjurset

On Friday, March 17, Ione's Camp 5 had a game day. Students from kindergarten through third grade were invited to play games. The activities ranged from board games and puzzles to more physical games like Duck-Duck-Goose and Hot Potato.

Camp 5 coordinator Vicky Wagenblast was assisted by Kim Thompson. They helped the kids learn such games as Sorry, Battleship, Candy Land, Chutes and Ladders, Pictionary Jr., dominoes and more. All the kids won prizes throughout the morning and one was even overheard saying, "Mrs. Wagenblast, you rock."

The theme of this Camp 5 was a fitting follow-up to last month's chess session with guest instructor Morrow County teacher Lea Mathieu. Mathieu had the kids learning the basic movements of the pieces as well as some beginning strategies. Wagenblast believes that games teach the children important social skills and introduce them to hobbies that will last a lifetime.

Parks Committee to meet

The Morrow County Parks Committee will meet hold its semi-annual meeting on Monday, March 20, 2006 at 6:30 p.m. at the Morrow County School District Office in Lexington. The committee will be reviewing

plans for the opening of Anson Wright Park and Cutsforth Park. The OHV Park has been open all year. The committee is comprised of 23 members representing the entire county. The public is welcome to attend.

DA's report

Dana Willis was convicted of Theft-2, a Class A misdemeanor. She was sentenced to 180 suspended days in jail, 40 hours community service and payment of \$583 in fines and fees.

ALIGNMENTS

FOR BETTER HANDLING AND TIRE MILEAGE

Every car should at least have a thrust alignment. It relates all 4 wheels to a common center line to insure maximum tire life and a centered steering wheel.

Over 90% of all cars built today should have a 4 wheel alignment. Most front wheel drives and some rear wheel drives have rear wheel adjustments. We invite you to ask us about it.
