CARD OF THANKS

For my recent stay at PMH, I want to give thanks to the deserving, starting with the girls at the front office, on to the doctors, nurses, technicians and, of course, the cooks. Thanks millions. Then we have those who gave prayers, sent cards, phone calls, food and visits. All are special.

Special thanks to Delmer and Judy Buschke, and Albert Wright for the use of some equipment.

This took place during the Winter Olympics, but there are no Silver or Bronze medals. Everyone above deserves the Gold. You are all the greatest. Again, I want to thank all from the bottom of my heart.

Skip Connor 4-26-1p

I take this opportunity to thank all my friends and well wishers. Being able to be a part of this nice community has been a blessing for me. I have learned a lot from my friends, nurses and most importantly from my patients. As I look back at the past six years - I remember coming fresh out of residency training and starting my first weekend on call! The Health District had gone through some rough times financially but is good to know that we are doing better now. Our staff and board members deserve all the credit and I was privileged to be part of this staff. Also a big thanks to our nurses who are the heart and soul of our caring and have let me learn and grow. As my professional career evolves, I look forward to trying out different things. My term at Heppner ends on May 31st, 2006. I will be working at Hermiston. I hope to take with me your blessings and good memories. Wishing everybody here wonderful years of good health.

Sam Datta 4-26-1c

We would like to thank all those who sent cards, flowers, food, calls, thoughts and prayers during my recent illness and hospital stay. One doesn't realize what a special community this is until you get sick. It's so good to be home. Again, thank you for all your concern, kind thoughts and family support.
