Sheriff's Office to begin charging for false alarms

Morrow County Sheriff's Office will now be charging a fee for responding to false alarms, business and residential, in Morrow County. You will be allowed one false alarm per month with no charge, but for the remainder of that month, each additional false alarm will cost you \$50. So, if you are having problems with your alarm systems, please contact your alarm company for maintenance or further

instruction on use. Starting July 1, 2006, if you have more than one false alarm in a month that the Morrow County Sheriff's Office has responded to then you can be expecting a billing statement from Morrow County Sheriff's Office. If you have any questions regarding this new fee please feel free to contact Judy Chastain at Morrow County Sheriff's Office at 676-2504.

PMH Foundation announces scholarship winners

The scholarship in memory of longtime local Dr. Wallace Wolff was created by his family to assist students in the medical field. This year's award in the amount of \$1000 will go to Trisha Adams. Adams graduated from Heppner High School in 2000 and went on to graduate summa cum laude from Albertson College in 2004. She was accepted in medical school at OHSU in the fall of 2005 and is completing her first year of study in her quest for her doctor of medicine degree. She is the daughter of Mike and Tonia Adams of Heppner.

The foundation also awarded seven awards in the name of Earl and Hazel Wilson, a pioneer family from the Ione area that were benefactors of the foundation that desired to assist students in their pursuit of a career in the medical field.

Shelley Rietmann was awarded \$500 to assist her in graduate school for a degree in doctor of physical therapy. Rietmann is a graduate of Heppner High

School and will graduate from Pacific University this spring. She is the daughter of Mark and Tammy Rietmann of Heppner.

Shanna Rietmann was awarded \$400. She is attending Pacific University with a goal of furthering her career in the medical field either in nursing, or perhaps as a physician's assistant. She is the daughter of Mark and Tammy Rietmann.

Dan Basile received a \$250 scholarship at his graduation from Heppner High School. Basile plans to attend Eastern Oregon University to study in their pre-dentistry program. He is the son of Joe and Debbie Basile of Heppner.

Amy Jepsen was awarded a \$250 scholarship upon her graduation from Ione High School. She will be attending Central Washington University with a course of study in dental hygiene. She is the daughter of Bill and Nancy Jepsen of Ione.

Amanda Miles received a \$250 scholarship at her graduation from Heppner High School. Her

goal is to train to become a dental hygienist. She is the daughter of Craig and Tawny Miles of Heppner.

Laurie Murray was awarded a scholarship of \$250 at the Heppner High graduation. Murray's goal is to pursue either pre-med or pre-pharmacy. She is the daughter of John and Ann Murray of Heppner.

Heather Rill received an award of \$250 to assist in her goal of becoming a dental hygienist. She plans to attend Oregon Institute of Technology. She is the daughter of Dean and Patricia Rill of Heppner.

The Pioneer Memorial Foundation is pleased to make these awards to help enable these students to study in the field of health care. The foundation is governed by a seven-member board of directors. The current directors are Betty Brown, Linda LaRue, Melissa Lindsay, Sheree Mahoney, Shanny Miller, Larry Mills and Glen Ward.

The foundation recently received a very generous bequest from the estate of Robert Campbell of Lexington. Campbell was a lifelong resident of the county, having farmed in the Lexington area until his retirement. His generosity will enable the foundation to assist in making improvements to the quality of health care in the area and is deeply appreciated.

Blood drive to be held in Boardman

The American Red Cross will be holding a blood drive in Boardman on Monday, June 12 from 1-6 p.m. at the Greenfield Grange.

To set up an appointment, contact Jane Dean at 481-5223.

Temple recipient of TCCA scholarship

Tillamook County Creamery Association (TCCA) awarded Kristal Temple of Lexington with its \$2000 Excellence in Leadership Scholarship.

Temple will attend Western Oregon University and study sign language and mathematics education. She was a member of the National Honor Society, the varsity tennis team, bowling team and recently served as the assistant manager for Cardinal Concessions.

Temple's community involvement includes working with Christian Youth in Action as a teacher and serving meals at the Heppner Senior Center. Recently she has been working as a teacher's aide at the local elementary school. Temple graduated from Ione High School. She is the daughter of Dr. Richard and Karen Temple.

A committee comprised of TCCA employees from both the Boardman and Tillamook locations reviewed the scholarship applications. Eligible applicants were required to be a graduating high school senior attending Heppner, Ione or Riverside high schools and have at least a 3.0 GPA. Students were required to submit an application, transcript and answer a leadership-based essay question. The \$2000 scholarship was awarded based on excellence in leadership, community and school involvement and scholastic achievement.

The Tillamook County Creamery Association, formed as a farmer-owned cooperative in 1909, has earned a reputation as one of the nation's premier brands of cheese. Tillamook is a national marketer of naturally aged cheddar and a variety of other cheeses, butter and an extensive line of premium ice cream, sour cream and yogurt. TCCA is most famously known for its internationally award-winning Tillamook Cheddar Cheese.
