

4-H Snack Shack ready to feed the hungry crowds

The 4-H Snack Shack produces the major source of income for the Morrow County 4-H Leaders Council. The council uses this income to provide such programs as 4-H camp and materials for all 4-H program areas. The Leaders Council also funds many fair awards. All 4-H members benefit from the proceeds that are earned by the Snack Shack. Many 4-H leaders help in the Snack Shack at fair. They do this because they understand how important the proceeds are to the 4-H program. But, the leaders are so busy at fair it is not right to ask them to take care of their 4-H club and then work even longer in the Snack Shack. Parents of 4-H members, this is an opportunity for you to help your children and your child's 4-H leader. Volunteer to help in the Snack Shack. Please call the Extension office at 676-9642 if you are interested.
