

Cub Scouts receive awards

Six boys from Cub Scout Pack 661 received their Bobcat rank award at the November pack meeting. Boys receiving awards were: Joe Schmidt, Bryan Fowler, Logan Grieb, Lane Wilhelm, Nicholas Allen and Jake Lindsay. The Scouts have to memorize the seven tracks of the Bobcat Trail to be presented the Bobcat rank. Their parents then got to paint their sons' faces in a fun Cub Scout ceremony recognizing the boys' efforts and welcoming the families into the pack.

New pack leaders were also introduced that night. New leaders are: Rick Smith-Tiger Cub Den Leader; Dave Fowler-Wolf Den Leader; Larry Palmer-Bear Den Leader; Richard Schmidt-Webelos Den Leader; and Susan Thompson-Cubmaster.

The Cub Scouts and parents acknowledge the continued support of Tawny Miles as committee chair and

Terry Moore as outgoing Cubmaster. "They have worked hard over the past years to support Pack 661," said a spokesperson.

The next pack meeting is scheduled for December 19. A potluck dinner and Christmas caroling are planned. For more information about that meeting or about Cub Scouts, call Susan Thompson, (541) 676-5350

Christmas tree permits available

Christmas tree permits are now available at all offices of the Umatilla National Forest and will be available at several local vendors by this Thanksgiving holiday weekend. Permits can be purchased for \$5 each. One Christmas tree permit is required for each tree cut. There is a limit of one tree per household, although you can purchase permits for your friends, relatives, and neighbors.

Douglas fir and Englemann spruce are the most popular trees, though Ponderosa pine and lodgepole pine make unique and fragrant alternatives. Permits are valid on Federal Forest Service lands only and do not authorize tree cutting on private, State or other federally managed lands. Permits and Forest maps can be purchased during regular office hours, Monday through Friday, at the supervisor's office in Pendleton and at the four district offices in Ukiah and Heppner, Oregon; and Walla Walla and Pomeroy, Washington.

Permits may also be purchased at the Shell station and Green Feed in Heppner.

Bookworms elect officers

The Heppner Bookworms began their 2006-07 season recently with the election of new officers. Pat Edmundson will lead the group as president; Diana Ball, vice president; Cherry Webber, secretary-treasurer; and Marj Gardner, book checker.

The club met in

Pendleton on October 24 at Armchair Books and enjoyed a book-talk by store co-owner Marilyn Bryan of many new and interesting titles.

Members collected over 100 books for donation to the Neighborhood Center to be included in Thanksgiving baskets this

year. They also voted to make a \$50 donation to the Neighborhood Center for Christmas needs.

WHO SETS THE PRICE?

It's a popular misconception that Realtors set home prices, but actually nothing could be further from the truth.

In reality, buyers and sellers set the price, and real estate agents only facilitate what the market is by compiling statistics and offering information so that sellers can be informed as they put their homes on the market.

Home prices, just like most commodities, are a function of supply and demand. If there is high demand and short supply,

prices will be driven up - it's only natural.

If there is an overabundance of homes on the market, the demand wanes and sellers may have to adjust their price downward in order to make a sale.

Other factors in the marketplace set the pace of supply and demand, and these ingredients are much more powerful than the real estate agents who carry out the wishes of buyers and sellers.
