## CARD OF THANKS

To Our Community:  
I have refrained from listing names in this thank you letter, as I know there has been so much support for The Stable of Youth center from more avenues than I can even keep track of, or am aware of. Whether it be the team of renovation volunteers that just came to see what was going on and jumped into a limited plan of action and produced a center ready to open to our kids in just 10 days! Or the support - mentally, physically, financially and your prayers and love for our community. All of this has shown that we love our kids! Thank you for living this statement.
