## PROPERTY WANTED

David Sykes Real Estate recently received the following email from person looking for property.

Property description: Currently we ranch in Wyoming and are planning to relocate to North Eastern Oregon. Let me give you a little background on what we are looking for.

Currently we own about a 460 AU ranch in WY. We direct market our range-fed beef and have a small "working ranch vacation" business in addition to our custom grazing business. We are looking to relocate to OR to possibly run similar enterprises. We are interested in a smaller place with the potential of leasing/managing area ranches for absentee landowners. If we are taken by a larger ranch we have the ability to work with partners. Here are some of the values we are looking at:

- 1) Water rights and live water.
- 2) Good drinking water.
- 3) Deeded land.
- 4) Scenery, wildness, open space.
- 5) Accessibility while private and open.
- 6) Low fossil fuel operational requirements.
- 7) Secure mineral rights or little mineral development potential.

We like the North Central/ North East part of OR (Pendleton, La Grande, Enterprise, Heppner) generally the north side of the Blue Mountains region.

We are planning a trip to your part of the country in April. If you know of any that fit our parameters please let me know.

Also have buyer looking for 700 + acres for hunting.

He is selling property in another area and will do a 1031 soon.

Have buyer interested in Mountain property 160 or more contiguous acres for LOP tags.
