CARD OF THANKS

I'd like to thank everyone for all they did after my recent injury. Thanks to the Hospital crew... nurses including Sue Walton, Linn Young, Molly Rhea; aides and EMT's including Peggy, Teresa, Rusty, and Tom; Thanks to Liz, Delia, and Sally; X-ray crew Evelyn Carroll and Katie Walton. To Sheridan, thanks for being there and tucking a "Bob DeSpain" cross in my hand before the flight to OHSU. To Dr. Wenberg, my deepest appreciation for finding the best hospital for my injuries and for caring for me in the midst of several other traumas that day. To the clinic crew for holding down the fort in my absence; the regular staff of Linda, Nola, Dr. Ed, Sheridan, and Dr. Alter, as well as a special thanks to Shelly Rietmann, Sue Thompson, and Marie Henrichs for working for me. To my husband Greg who was there every step of the way, along with my surrogate mother Ruth who took extra special care of me. To all the other friends and family who did chores, sent cards, flowers and food, and who kept me in their prayers... Thank You. Thanks to my brothers and sisters for all they did, including my Private Duty Nurse Kathleen who came from Wyoming. If I have overlooked anyone, I apologize as I was well medicated before it was all over! Above all else it never ceases to amaze me how the staff of our small hospital can provide high level emergency care that rivals that of much larger E.R.'s—I made sure everyone at OHSU knew what a special place we have in Heppner.

Sincerely,

Trish Maben

P.S. Anyone who is not an Airline member, please do yourself a favor and join. The small membership fee is a small price to pay for a service you may suddenly need, and it sure beats a 3-4 hour ride in the back of a ground ambulance!

The family of Mike Armato would like to thank the students and staff of Heppner Elementary School for the bench they dedicated in Mike's memory. Mike had a great deal of affection for Heppner Elementary. He believed the teachers were the best in the state. He appreciated their dedication to the students and he was proud of his children's achievements while attending HES. The bench was beautiful. Thank you for the tribute.

The Award of Excellence is proof that Mike was right, congratulations!

Kim, Maggie and Joe

To the wonderful folks of the Lone Community Church...and the Lone community: Thank you for making my time as your interim pastor fulfilling. As I reach the end of my contract and return home to Hood River, I'd like to leave you with an outsider's perspective of the things I have learned from you. (1) With real estate it might be "location, location, location" but with a rural community it's "people, people, people". Thank you for the reminder that nothing is as important as taking care of each other. (2) Whether it's 40 minutes across town in Portland traffic or 40 minutes to Hermiston, it's still 40 minutes. Small towns are

not as isolated as I thought they were. (3) Whether you attend or not, it's still your church. We are here for your weddings, showers, meetings, and funerals...and you support of our ministries. (4) Country folk are every bit as smart as city folk...with more horse sense. Agricultural degrees + wrestling with livestock, noxious weeds or the commodities market = well rounded people. And finally, (5) God's love and goodness are everywhere His people are. I've lived in Tokyo, Washington DC, and Los Angeles...but how do you meet millions of people? Ione, thanks for welcoming a stranger.

One of His,
Dr. Dan Armstrong,
Interim Pastor
