CARD OF THANKS

To all the folks around here who have sent good wishes, said a prayer, or asked how I was doing during my recent scare with kidney cancer. I couldn't be more grateful... you're scattered all over town - City Hall, various churches, Senior Center, local businesses, Chamber of Commerce, neighbors, and friendly people I wave to on the street - too numerous to mention.
 I can report that they got the diseased kidney out faster than you could gut a trout, and everything appears to be okay - no evidence of residual cancer. Which leaves me poorer by one kidney but rich beyond measure. Thanks to the town we chose to live in and the fine people in it.

We would like to thank the community for their prayers, phone calls, cards and offerings of assistance during Ryan's recent hospital stay at Doernbecher Children's Hospital. Your thoughts and actions have meant the world to our family. We would also like to thank the hospital staff and Lifeflight teams. Ryan is doing much better and we are forever grateful to each and every person who participated in his care and recovery.
 Thank you again; your friendship is most valued and appreciated.

I would like to say thank you to all the Friends of Scouting who helped Troop 691 go to summer camp this year. The troop was able to go to Camp Fife outside of Yakima, WA. The boys had a ton of fun and did a great job! Without your support, we would not have been able to go.
 Seven boys attended camp and all of us worked hard. Camp Fife was the best camp we have ever been to. We loved the staff; they did a perfect job working with us all week. The pool was awesome! Five of us took the swimming merit badge and we had a blast in the water!
 We also went on an overnight horseback ride. The troop had a blast riding into the mountains. While there, we built our own shelters to sleep under. We had fun making shelters and even more fun destroying them in the morning. The ride out was just as fun as the ride in. Thankfully, no one got kicked.
 Thanks again to the Friends of Scouting in Heppner. We could not have done it without their help.
