Busy year with improvements at the fairgrounds

It has been a busy year with improvements at the fairgrounds. The floor in the dormitory has been replaced with a cement one. New showers have been installed in the outside bathrooms; there is no access from inside the dormitory. The flooring in the inside restrooms was replaced and the plumbing fixed. The dance

hall was redone to make the floor easier to maintain, so fair goers and exhibitors

are asked to please not drag any chairs, tables, etc., on the new floor.

Children's reading program

A Children's Reading Program will be held Wednesday and Thursday from noon to 1 p.m. Everyone is invited to bring your kids to the fair and let the Friends of the Library read to them. The Friends of the Library also plan a book sale at Heppner City Hall on Friday of fair week from 9 a.m. to 1 p.m. and Saturday from 11 a.m. to 3 p.m.

Tillamook Creamery Association to offer samples

Tillamook Creamery Association will be participating in our fair once again. Everyone is invited to stop by and visit. Maybe you will even get a "little bit of dairy" as they will be giving away samples of delicious Tillamook Cheese.

Volunteers always needed

The fair always needs volunteers to help the superintendents in each department. Anyone who would like to volunteer his or her time may call the superintendents listed in each department or call the

Morrow County Fair Office at 676-9474.

Currently, the fair is in need of help in the Fruits and Vegetables department. To volunteer, contact the fair office or John Renfro for details.
