Electric Co-Op to Perform Tree Trimming Operations in Area

Columbia Basin Electric Co-Op, and their subcontractors, will be conducting their annual tree trimming operation throughout the service territory during the next six weeks. Trimming of trees around power lines is an annual chore and is required by Oregon PUC and REA to reduce outages and insure continuity of electrical service. Areas affecting both Primary (distribution) and Secondary (individual service connections) lines will be cleared.

Any comments, concerns or questions about trees obstructing power lines or the removal of them may be made to Slater Mitchell at 541-676-9146 or slater@columbiabasin.cc
