Heppner junior and senior high students participate in Knowledge Master

Thousands of students throughout the country and in many foreign countries competed in the 50th Knowledge Master Open academic competition on April 23rd. Junior high and high school students faced their computers and 200 tough questions to compete for top scores based on the accuracy and speed of their answers.

The students had lots of fun. The high school students had a personal best on their score and the junior high team very well as well," said Petra Payne, advisor for the event.

The Knowledge Master Open was designed to stimulate enthusiasm for learning and recognition for academic accomplishment. The contest runs on classroom computers to allow all students the opportunity to compete without the expense of traveling to a central site. Results of the contest are tabulated into overall, state, and enrollment-size rankings by Academic Hallmarks, a

Colorado publishing firm that hosts the event. Contest results and example questions are available at www.greatauk.com.

The high school team includes Emily Thompson, Ashley Wolff, Lane Wright, Spencer Palmer, Sarah Ballard, Maggie Armato, Grant Smith, Kelsey Wolff, Sean Murray, Julia Meyer, Frank Meyer, Sheryl Peck, Eric Chick, Kate Kendrick, and Ian Murray.
