CARD OF THANKS

To all the people that helped me and my family,

I want to thank you for all the help and support that you have given me and my family during the time that we needed it. So to all of you, we give you many thanks and praises for all the spare time that you have given up to raise money for my incident on the baseball field.

I learned that every little "thing" can make a big difference. The bake sale was a big success. It is so amazing that there are so many nice people here in Heppner. I'm really glad and fortunate to stay here with so many nice people living in this community. This event will be one of my most favorite memories from the United States because everybody helped me and they cared about me.

Words can not say thank you enough, but I still want to say thank you very much for all the help.
