Ione track caps off successful season

The Ione track team capped a successful season with performances at the 1A/2A/3A State Meet last weekend in Monmouth. Scorching temperatures were a problem especially on Friday when the mercury neared 100 degrees, but the athletes coped as best as they could.

Kylee Svetich had the best individual performance for Ione, coming home with three state medals. She surprised the field with a runner up finish in the triple jump, sailing 32'10.75 inches on her last jump of the day, a new PR by over eight inches. As luck would have it, her two individual events were scheduled at almost the same time. She had to check in and then out at the triple jump to go run the finals in the 200. Finishing fifth in the 200, she equaled her PR set the day before in the prelims but reported back to the triple jump with tired legs. "I started out awful. But then I took a break before the finals and things got better," she said. A nearby car fire and resulting hubbub provided more distraction but Svetich was determined to finish her high school career on a high note. Her third medal of the meet came in the first event of the day when she ran anchor on the Ione 4X100 team.

The girls' 4X100 team (Sarah Stillman, Tiana Camarillo, Kaylee Palmateer and Kylee Svetich) qualified on Friday by finishing third in their heat. On Saturday, the girls ran close to their season best time to take fifth place (54.68.)

The boys 4X400 team (Alan Rietmann, Justin Archer, Clay Morter and Cory Peterson) improved their season best time in Friday's preliminary heats to 3:43.84. Their third place finish automatically advanced them to Saturday's finals. On Saturday, they ran about four seconds slower but were solidly in the fifth spot, earning a medal.

Beth Morter did not qualify for the finals in the long jump but earned the seventh place medal and set a new PR of 5:36.59 in the 1500 meters. Matt Hams, running in a competitive field, did not place in the 800 meters but knocked his PR down to 2:10.61.

Paul Hams struggled in the javelin when he was not able to use his own javelin for the event due to a non-conformity. Hams, who had a season best throw of 161-7 could not find a rhythm with the unfamiliar instrument and did not make the finals.

Clay Morter had a disappointing day in the high jump when he failed to clear 5'8" and didn't place. Morter consistently jumped 5'10 this year and cleared 6'0 twice in competition, but nothing went right at state.

Overall Coach Ryan Rudolf was pleased with his team's results. "We had everyone competing on Saturday and that means something," he said. "A couple of the kids had some mixed results but overall, we did well."
