Volunteers needed for fair

The Morrow County Fair is always in need of volunteers to help the superintendent's in each department.

If you would like to volunteer your time you can call the superintendent or contact the fair office for information.

Food department adds new contests

Along with adding freezer jam and jellies, the food department has added two new contests. They are "Make It With Morrow County" and "Men's Bread Baking Contest"

The "Make It With Morrow County" contest is a delicious apple wheat cake recipe. The contest is sponsored by the Morrow County Wheat Growers. For the recipe turn to page 62 in the Premium Book.

The "Men's Bread Baking Contest" is in memory of Mike Armato. It is dedicated to Mike's unending quest for the perfect loaf of bread. This contest is on page 63. So men let's get to cooking and enter your favorite bread recipe.

One Simple Visit One Beautiful Result

**Introducing Active FX, the latest, most precise
technology in laser skin resurfacing.**

We are happy to announce that Dr. Flaiz is the only practice in Eastern Oregon and Southeastern Washington to offer Lumenis Encore™, the state-of-the-art carbon dioxide laser used in laser skin resurfacing. Just one visit and you'll achieve the skin you've always wanted but never thought possible. Fine lines and wrinkles are greatly diminished; superficial skin lesions, discolorations, scars and irregularities are gone. Tightening of the skin is ongoing for several months due to new collagen growth. The texture of your facial skin is smoother. The tones are more even. And downtime is only 3-4 days. Have it done on Friday and be back to work by the middle of the next week. No more waiting weeks for healing like with older carbon dioxide laser peels.

**Look fabulous at any age... with ActiveFX, from Lumenis -
the leader in laser technology - and Dr. Richard Flaiz -
the leader in skin care and facial plastic surgery.**
