CARD OF THANKS

To the community of Heppner,

I would like to express my true appreciation and admiration for the community of Heppner. Over the past two to three months I have been fortunate enough to meet many people from Heppner and be part of a process of educating, sharing thoughts and working with your community. The experience has been rewarding; Heppner defines what "community" is, the coming together of people to work in unity. Strong values, respect for one another, thoughtful consideration of "pros and cons," heartfelt concern for the needs of others and the willingness to listen is a testimony to Heppner's outstanding character as a community.

Decisions like these are hard; being able to balance needs, concerns, safety, economics, risks, values the lists goes on, is very difficult. This is why I admire your community - you took a challenging issue, debated it, analyzed it, researched it and asked direct questions with an "open mind" and "open heart." Thank you.

I sincerely look forward to continuing working with your community as we make this opportunity a reality.

Thanks again,
 Rod Estes

The family of Guy Van-Arsdale would like to thank everyone for their kind words and support during a difficult time. We have been amazed with the number of people who expressed their appreciation for the impact Guy had on their lives. Guy enjoyed people and looked for opportunities to help others. From the number of cards, telephone calls, flowers and people 'expressing their condolences, it is evident he will be remembered by many of you. His wish was to have no memorial service so everyone could continue on with their lives. Guy will live on in the hearts and memories of his family and those who knew him. Thank you.

Thank you, thank you, thank you. We truly appreciate the continued community support given to our organization.

Last Friday, in the midst of all of their activities, the Morrow County Rodeo Court held a fund raiser for breast cancer awareness and donated the \$437 contributed to Pioneer Memorial Hospice.

It is gestures such as these that enable us to provide exceptional care to people in the final stages of their lives.

Sincerely,
 Molly Rhea, Pioneer
 Memorial Hospice Director.
