**Electric Co-Op to test  
 utility poles in area**

Columbia Basin Specific areas to be tested  
 Electric Co-Op, and their this fall include the areas  
 subcontractors, will be south of the Ione substa-  
 conducting their annual pole tion: lower Rhea Creek,  
 testing operation through- Goosberry, lower Willow  
 out parts of the service ter- Creek, etc. Vehicles should  
 ritory during the next three be marked with "National  
 months. Wood Treating Company"  
 or "Columbia Basin Electric  
 Co-Op" signage. Crews will  
 be operating 4-wheelers  
 while traveling from pole to  
 pole along the power lines.

Periodic testing of  
 poles is required by REA  
 and RUS, and helps reduce  
 failure rates and power out-  
 ages. Crews visually inspect  
 each pole unit for damage,  
 and bore a test hole in the  
 pole to inspect for sound-  
 ness.

All poles in the ser-  
 vice territory are inspected  
 on a 10 year rotation basis.

**Three-day closure of U.S.  
 Hwy 730 set to begin**

The Oregon Depart-  
 ment of Transportation's  
 contractor, Weaver Con-  
 struction, is repairing two  
 bridges along U.S. Highway  
 730 west of Irrigon, located  
 one mile east of the junc-  
 tion of Interstate 84 at mile  
 point 168.8. Construction  
 activities are prompting  
 single lane travel at the  
 UPRR Clarke and USRS  
 Canal bridges with tempo-  
 rary signals controlling  
 traffic movements.

Beginning the morn-  
 ing of September 25 the  
 bridges will be closed for up  
 to 72 hours, with traffic re-  
 turning to single lane travel  
 by 6 a.m. September 28.  
 During the closure through  
 traffic will detoured around  
 U.S. 730 via Interstate 84  
 and Interstate 82. Motorists  
 are advised to plan extra  
 travel time for this detour  
 route.

This closure was  
 originally planned to begin  
 Friday, but has been delayed  
 to begin September 25.

The three-day clo-  
 sure is needed to accom-  
 modate the replacement of  
 the bridge decks and cure  
 time for new concrete. One  
 of the bridge decks will be  
 replaced this month and the  
 second is scheduled to be  
 replaced late October with a  
 similar three-day closure.

The bridge repair  
 project is scheduled to be  
 completed by November  
 15, 2008.

More information  
 about this project is avail-  
 able by contacting ODOT  
 Region 5 Public Information  
 Officer Tom Strandberg at  
 (541) 963-1330 or by email

**Classes to help parents prepare  
 children for kindergarten available**

It's never too early  
 to get ready for kindergar-  
 ten.

That's the message  
 the Eastern Oregon Reading  
 Foundation and the Ready!  
 For Kindergarten program  
 want parents to know when  
 it comes to going to school.  
 The EORF and Ready! For  
 Kindergarten program are  
 teaming to provide classes  
 for Umatilla and Morrow  
 county parents of children  
 ages birth to 5 years old.

These free classes  
 will provide ideas and in-  
 formation to make learning  
 at home more fun, as well  
 as fun toys and books for  
 young children.

There are two fall  
 classes scheduled. One will  
 take place October 2 at  
 6 p.m. at Pendleton High  
 School, while the other will  
 be held Oct. 23 at Grove  
 Elementary in Milton-Free-  
 water. Parents must register  
 online at [www.umesd.k12.or.us/ready](http://www.umesd.k12.or.us/ready). Space is lim-  
 ited, so early registration is  
 encouraged.

The EORF supports  
 parents as their child's most  
 influential, and most loved,  
 teacher during the impor-  
 tant early learning years.  
 Children can learn at an  
 amazing rate, and spending  
 just a little time each day de-  
 veloping language, reading,  
 math, reasoning, social and  
 emotional skills will help  
 your child to be prepared  
 and eager for kindergarten,  
 said Kacie Moss, executive  
 director of the EORF.
