CARD OF THANKS

Thank you to our friends and family for every remembrance and help for both of us.

We appreciate you all very much.

I've told friends that I will be nuts by the time this is over. They all laughed and said, "No, Ernie will be nuts."

His parents Matt and Jacquelyn Goetz and grandparents Jeff and Cathy Steger, would also like to thank you for all your prayers; they are deeply grateful.

Families, and the Commission for the grant. Without each and every one of you, this project would not have happened. Thank you.

Congratulations to the BEO Brainiacs! Even without their whole team, they won again! We had a great time. Thank you to our donors: the Elks, Heppner Family Foods and Murrys. Thank you, Doris Brosnan.

I would like to thank the Heppner Gazette Times for the coverage of the Fire and Fuels Career Camp held at our Tupper work center in mid-October. While the focus of the article was the camp itself, I think it is important to recognize that the Tupper Fire and Fuels Career camp is only successful because of the tremendous amount of time and effort put forth by the employees of the Umatilla National Forest, our numerous partners, and the participating high school seniors. Over the last two years, the camp has been fully supported by the Morrow County School District and its students, six National Forests, the US Fish and Wildlife Service, Oregon Department of Forestry, Bureau of Land Management, Blue Mountain and Central Oregon Community Colleges, along with other cooperators.

Although it would impossible to list all the individuals that have been involved in the development and implementation of this project, I would like to express my appreciation to a few of our Heppner residents. Thanks to the Superintendent of the Morrow County School District, Mark Burrows, and to the Heppner High School Principal, Daye Stone, without your cooperation, this project would not be possible.

I would also like to publicly thank the employees of the Heppner Ranger District for embracing the idea of the camp and putting your time and energy into making sure that the camp is a success. Kristen Marshall and Bill Schlaich, both Heppner High School graduates, served as the coordinators for this year's camp and worked with over 60 individuals from the Heppner Ranger District, the Umatilla National Forest, and partners throughout the state of Oregon in making the camp a quality experience for the students.

I would like to thank the 16 high school students (and their parents and guardians), for participating in this unique opportunity to learn more about the Forest Service and potential careers in natural resources. We hosted students from Riverside, Irrigon, and Heppner High School for the week long training. Finally, a special thank you to the Heppner High School students that participated in the career camp - Braden Britt, Stephanie Cutsforth, Mercedes Garrett, Dillon Lutzer, Stephanie Rill, and Kathryn Strouse - you have helped make this year's camp memorable and an outstanding success!
