Pat and Trish Sweeney are always so helpful and do a very good job.

Caroline Willey was so wonderful and did an excellent job at the cemetery and at the memorial.

Jan Skaggs and her crew did a great job putting together the dinner after the memorial. It was wonderful.

We would like to express many thanks to all of our supportive friends, the lady elks, and everyone involved in the arrangements and the wonderful dinner during Spike Nash's funeral services.

The food, cards, flowers, charitable contributions, and many kind thoughts and prayers are all extremely appreciated.

It was so uplifting to see such a great number of sincere people pull together and make such an overwhelming time in our lives seem a little more bearable.

Thank you,

To the community of Heppner:

There are no words to express what I felt Friday at the open house at city hall for my retirement. I was so overwhelmed with emotions I have never experienced anything like this before. There is no way I can thank all you good people of Heppner and Lexington. I think of each and every one of you as my family and Heppner as my home. I was unable to sleep Friday. The whole day replayed in my mind all night long. Thanks to everyone of you for the great cards and gifts and especially for being my friends Its going to be a difficult adjustment in my life not going to Heppner every day. You are so much a part of my life for the past 28 plus years that I looked forward to going to work each day because of you.

Please accept this as a big thank you , I love all of you.
