This Supplemental budget will be considered by the City Council at its February meeting (02/09/09). It does three things: 1) It allows the City to reimburse Ferguson engineers for work on the Court street project; 2) It allows the City to pay ODOT the \$10,000 dollars that it promised to ODOT three years ago towards the project, and 3) it creates a place for future revenues and expenditures that may occur as a part of this project. If you have further questions please feel free to call the City Manager.
