I would like to take this opportunity to thank everyone who lent a hand to make my recovery from hip surgery a success. The

cards, visits, prayers and flowers at the hospital encouraged me to do my part to hurry home and get well. When I got home, I had more cards, visits, prayers and phone calls cheering me on to recovery. It was so helpful to have the delicious food for myself and my family. The professional and proficient skills of both the Home Health Nurses and Physical Therapists helped me make the necessary progress. It is truly a Blessing to live in a town that helps one another get well. I am so grateful to each and every one of you that had a part in my recovery. Your kindness and thoughtfulness will be treasured.

Sincerely,  
Mary Ann Elguezabal

I would like to thank all the wonderful family and friends who have been doing so much for me and my family during my recent surgery.

The prayers, meals, phone calls, cards, flowers and mostly the time taken out of your days to come by and visit have meant so much to me.

Gene & Sharon, Braden loved the homemade bread, he's packing quite a lunch this summer while fire fighting.

Taylor Gould, your fresh peach crisp was excellent and so very thoughtful.

The movie basket that the Gould's delivered kept my mind occupied so I could be a good patient-thank you

Mom, everything that came from your house to ours was devoured, what a wonderful cook you are.

A special thanks to my church family, there's no doubt in my mind that the lord is in your hearts, thank you for everything that you did, I love you all so much!

Last, but not least, what a blessing on the morning of my surgery to hear the comforting voice of a fellow Heppnerite, Mary Ann Elguezabal, hope your recovery is going good too!

Thanks and god bless.
