

Morrow County Court weekly meeting held

The Morrow County Court met on February 24 in Heppner with Judge Tallman, Commissioner Grieb, and Commissioner Rea in attendance. Following is a summary of the meeting provided by Leann Rea.

The court reviewed and approved the minutes of February 17.

The court reviewed and approved accounts payable, retirement taxes, and payroll in the net total amount of \$ 108,801.08.

Road Report

The cattle guard on Strawberry Lane has been installed; all the signs on Bombing Range Road and Hwy 207 have been moved to new locations and replaced as needed. Part of the guard railing has been

put up. We are waiting for the rest of the order to arrive so we can finish the guard railing and open up the road by this weekend. The new inlet ditch to the large culvert has been completed with rip-rap material. The crew is now working on using material from the south side of Hwy 207, hauling it to the north side and using that material to fill in steep slopes and holes where the old intersection was located. The crew is working on the south side of the project and as of today has it almost to sub-grade. South End Transfer Site - Miller and Sons have finished the concrete and block work for the two new bin sites. The crew will finish it later with metal rail-

ing and pavement, which will depend on weather. Road Grading - Two of our graders out grading the gravel roads. One grader is working in the Upper Rhea Creek area and one is in the Alpine area. Bid Opening - Bids for portable toilets and for asphalt were opened. The Road Department will review the bids for completeness and make recommendations to the court at a later date.

Sheriff's Sale

The court reviewed the results of the recent Sheriff's Sale and learned that the one parcel in Heppner sold. There are still six lots in Irrigon and a parcel containing 1.48 acres with existing structures located on Bear Lane in the Blake's

Ranch Subdivision that did not sell. The court requested information on how to engage the services of a realtor to assist with the sale of these properties.

Public Hearing

The court held a public hearing for the purpose of dedicating a name for a new road. The name of the new road is Kirkpatrick Road, it comes off of Sunflower Flat Road and serves only one property owner.

Fair Board

Held a lengthy discussion with Rene Yocum regarding allowing the Cowboy Mounted Shooters Association (CMSA) the use of the Wilkinson Arena for practice and special events. An exception to the county policy regarding

firearms on county property will need to be approved. The court approved this request pending the approval of the county's insurance provider.

The court conducted the following business: A lease agreement between the county and the City of Irrigon, for an office for the Veteran Services, was reviewed and returned to the city for minor clarifications. A booklet prepared by Kevin Payne from the Morrow County Soil & Water Conservation District showing the six livestock districts located in the county, complete with metes and bounds descriptions was reviewed. The court requested that copies be provided to the libraries

in the county, the planning department, and the sheriff's office. The order for the formation of the Umattilla Morrow Radio and Data District was reviewed and signed. A request to use some of the tourism funds to send Sheryll Bates (Heppner), Betty Gray (Ione), and Diane Wolfe (Boardman) to the Governor's Conference was approved. An activity report from the planning department showing actions for the last three years was reviewed. Miscellaneous correspondences and notices for meetings were reviewed.
